# 34 Reported Dead in Crash of British Airliner

## SCORES ARE DEAD, DYING AND HURT IN TORNADOES SWEEPING MISSISSIPPI

JACKSON, Miss. (AP)—Tornadoes bombarded 13 areas in Mississippi last night, leaving destruction and nearly 80 dead, dying and injured persons.

Searchers moving into the devastated areas found 10 dead and about 70 injured. Two died of their injuries in a hospital early today.

Shattered buildings and shredded farm lands dotted a 140-mile long area in central and east Mississippi that stretched from Canton, 20 miles north of Jackson; and Poplarville, 120 miles to the south.

## Ike Stand On Benson Stirs Midwest GOP

Washington, (AP)—Resentment flared among rebellious Midwestern Republicans in Congress today over President Eisenhower's sharply worded defense of Secretary of Agriculture Benson.

As two GOP house members prepared to carry on belt protests against Benson's farm policies to the White House later today, Rep. O'Kinski (R-Wis.), told newsmen: "So far, I've been under the impression we only needed a new secretary of agriculture. Now I think we also need a new president."

Eisenhower made abundantly clear to his news conference he had no idea of ousting Benson and little thought of interfering with the secretary's farm policies. One of the other has been urged openly by many farm belt Republicans.

Praising Benson as a man of courage and honesty, Eisenhower said those advocating his ouster are badly mistaken.

Eisenhower said that by and large the country will be better off if farmers are free from government regulations and operate under free market forces like the rest of the economy.

He also said that Benson's programs generally have had the approval of bipartisan agricultural advisory committees.

Taking the House floor shortly after the President made his statement, Rep. Anderson (R-Minn.) commented bitterly: "It now appears that the President has foreclosed any opportunity to acquaint himself with the facts of life."

## Cuban Rebels Are Continuing Raids In Capital City

HAVANA, Cuba (AP)—Fidel Castro's rebels kept up their harassment campaign in the heart of Havana last night, burning one bus within five blocks of the Cuban capitol and halting others by watering their gasoline supplies.

The rebels avoided the heavily guarded sports palace where world lightweight champion Joe Brown of New Orleans knocked out Cuban champ Orlando Echevarria in the first round of a non-title fight.

Government forces had been on the alert to protect the widely publicized match since rebels kept the star attraction out of Monday's Gran Premio auto race by kidnapping him for 29 hours.

## Visit to U. S. of Princess Margaret Being Considered

LONDON (AP)—A visit by Princess Margaret to the United States this summer is under top-level consideration in London.

The pretty, 27-year-old princess has long wanted to see America, a country she reads about avidly and admires.

She is due in Canada July 12 for a 24-day official visit. It would be easy for her to take a side trip south of the border.

No British-American consultations about a visit are known to have taken place on any official level. A U.S. stopover apparently is still an idea rather than a project being actively planned, but protocol considerations and other aspects are already being thought about in high places.

Under consideration are such questions as: Would the British Common-

Five of the dead were in the hard-hit rural area between Richton and Waynesboro, near the Alabama line. Three were at the Farm Haven community near Canton, one near Jackson and one near Walnut Grove, 40 miles east of Canton.

One of the Farm Haven victims was Sally Day, a Negro woman reported to be 110 years old.

The first twister reported was in the Jackson area.

Mrs. Leland Bolton, a 27-year-old housewife of the Lucknow community east of here, said she was setting the table for supper when the rains and hard winds came.

"It sounded like a million bells," she said. "All I could think about was my babies and family. Only the good Lord saved us. An icebox held off the falling debris when the roof fell in."

The twister also hit in the Fanning community of the same area, killing 3-year-old Cathy Jones.

Hospitals in the Jackson area reported a dozen injuries.

Several dozen were reported hurt in the devastated Richton-Waynesboro area.

Percy H. Clark, 56, said he and his wife, 48, heard a sound like a train as they sat in their living room.

"The next thing we knew we were sitting under it," he said. "We heard a roaring and all at once we were gone."

He said his pickup truck was carried 100 feet and deposited in the top of a pine tree.

In the same area, the twister ripped up the house of Mrs. Alonzo Rylee, about 60, killing her and her son Bill, 13.

The town of Walnut Grove, where Mrs. Tarrin Ellis was killed, was another center of destruction.

George Keith, editor of the Carthage newspaper, said the town was "literally torn up" with 50 or 60 houses damaged.

Twenty injuries were reported in the Poplarville area of Pearl River County.

## Sunbeam Corp. Follows G. E. on Trade Practices

CHICAGO (AP)—Sunbeam Corp. of Chicago has followed action by General Electric Co. and for "competitive" reasons has ordered elimination of fair trade practices on its small products.

Sunbeam distributors across the nation have been notified that the order is effective today, said C. C. Mendler, sales vice president.

Earlier, General Electric Co. in New York announced it was scrapping its fair trade practices on small appliances, giving storekeepers the privilege to sell them at any price.

Sunbeam products affected by the order include many of the same items covered in the GE order—toasters, coffee makers, mixers, etc.

## Disability Amendment Discussed by Dirksen

WASHINGTON (AP)—Sen. Dirksen (R-Ill.) predicted today the Senate Judiciary Committee will agree on a proposed constitutional amendment which would permit the Cabinet to determine presidential disability by a majority vote.

Dirksen, assistant Republican leader, said in an interview he is confident such a proposal can get committee approval if it is compromised to give Congress a voice in determining when disability ends and when a president may resume his duties.

Would teen-agers and others in America, whose sympathy for Margaret grew after she renounced Peter Townsend, stage frantic welcoming demonstrations that would embarrass the princess and the crown?

On the other hand, would there be any unwanted effect on American opinion if the princess goes to Canada without paying a courtesy call across the border?

Such questions would be weighed carefully here before any moves were made to arrange a visit.

## "Spaceman's" Daughter

Mrs. Robert B. Lauras, ex-wife of Air Force "spaceman" Donald Farrell, poses in her Troy, N. Y., home with her daughter, Heidi Farrell. Mrs. Lauras, whose marriage to Farrell was annulled in 1954, claims that he is \$2,000 behind in his support payments for their daughter. She says she isn't interested in the money, but she would like Farrell's consent to have her present husband adopt Heidi. (NEA Telephoto)

## Physician From State Goes to Hollidaysburg

Dr. Peter King, former member of the Warren State Hospital staff, today was named acting superintendent of Hollidaysburg State Hospital to replace Dr. Mark Risser, who was named superintendent of Wernersville State Hospital to replace Dr. Paul Petri a week ago. Dr. Robert A. Matthews, mental health commissioner, is quoted in a Harrisburg dispatch as saying that Dr. King and several other physicians from Warren State will be assigned to operate the Hollidaysburg Hospital until a permanent superintendent is named. The department said King's salary will remain the same as he had been receiving at North Warren, \$7,772.

## Runaway Blimp Found Deflated Near Lakehurst

LAKEHURST, N. J. (AP)—A blimp that had broken loose from its mooring mast at the naval air station was found deflated, on the ground early today.

A Civil Aeronautics Authority spokesman said the blimp came down only three miles from the station in an area southwest of here.

There had been speculation that the runaway blimp might endanger air navigation.

The CAA, while not ordering any flight cancellations, had warned all aircraft in the area to be on the alert.

Lt. j.g. Peter Diconza, public information officer at the air station, said the blimp apparently broke free after being rocked by gusty winds.

Two sailors were injured when they jumped from the gondola as the lighter-than-air craft broke loose. The sailors were not identified.

The ship officially described as a derelict of the M4 class, is about 300 feet long and carries 725,000 cubic feet of helium.

## General Postal Rate Increases Being Considered

Washington, (AP)—The Senate, after nailing a temporary 5-cent letter stamp into a postal rate bill, pushed ahead today to consider rate increases on other classes of mail.

Splitting largely along party lines, the Senate voted 49-42 last night to retain in the bill a provision to raise the present 3-cent rate to 5 cents for non-local letters. The 5-cent stamp would be in effect for three years.

The vote was a substantial victory for President Eisenhower, who had asked for the 5-cent stamp. Republicans held their ranks almost intact to keep the provision in the bill. Most Democrats backed an unsuccessful move to eliminate the section.

## Storms Leave Heavy Toll of Dead in Wake

By THE ASSOCIATED PRESS  
Violent weather which hammered mid-Southern and Western areas of the country yesterday and last night left in its wake a heavy toll of dead and injured and extensive property damage. Tornadoes, thunderstorms, snow, hail, strong winds and dust storms struck sections from the Plains to Mississippi. Wet weather covered most of the Eastern two-thirds of the nation.

Twisters last night skipped across a 140-mile-wide area in central and eastern Mississippi, killing at least 10 persons and injuring an estimated 70 others. Two tornadoes also hit areas in Oklahoma but no casualties were reported.

The intense storm which moved across the Plains and was centered in eastern Oklahoma early today was blamed for the variety of violent weather.

Strong winds surrounding the storm center swept cold air across the Western half of the country and southerly winds fanned warmer breezes and rain to most of the Eastern half.

The huge storm virtually controlled the weather from the Atlantic to the Pacific and from the Gulf of Mexico to the Canadian border.

Wind and dust storms lashed the southern Plains. Severe thunderstorms and tornadoes pounded the Lower Mississippi Valley. Heavy snowfall was reported in parts of the western Plains.

Low pressures reported near the storm's center yesterday, indicating its intensity, broke all previous records dating back to 1900 in some areas from Kansas to Texas. The barometric pressure at sea level in many places was 40 percent at less than 29 inches.

## Bill Lifting National Debt Ceiling Is Signed

WASHINGTON (AP)—President Eisenhower today signed a bill temporarily lifting the national debt ceiling by 5 billion dollars to 280 billion.

The increase will remain in effect until June 30, 1959, at which time the legal limit on borrowings will be dropped back to 275 billion unless Congress continues the higher figure for another year.

President Eisenhower requested the increase to give the administration more elbow room for its financing. The current national debt is close to the 275 billion dollar limit in permanent law.

## President of Tunisia Asks NATO to Act

Tunis (AP)—Tunisian President Habib Bourguiba today called on the NATO powers to intervene to end the conflict between France and the Algerian rebels.

In a broadcast recorded for later transmission over the government radio, Bourguiba suggested that a French-proposed commission to patrol the border between Algeria and Tunisia be broadened to include other members of the North Atlantic Treaty Organization.

The commission's task should also be widened, he said, to include investigation of the Algerian war and finding a solution for it.

The French government has insisted it would not allow the Algerian conflict to be brought into the negotiations to end the French Tunisian dispute, except for discussion of measures to seal off the Tunisian border from the rebels. The French insist that Algeria is France's domestic concern, not a subject for international intervention.

French Foreign Minister Christian Pineau stood by this position in a report to a National Assembly committee. Members of the committee later said Pineau objected to any formal international discussion of the Algerian rebellion.

Pineau emphasized that France's first concern in the current negotiations is to tighten the Tunisian-Algerian border.

Bourguiba charged that a French plan to clear and seal off a border belt inside Algeria would make tens of thousands of Algerians homeless.

He expressed satisfaction at reports that the U. S. State Department is taking steps to prevent the French use of U. S.-supplied arms in Algeria.

Bourguiba repeatedly stressed that North Africa wants to be associated with the non-Communist world.

He said France's proposal of a French-Tunisian commission to supervise the Algerian-Tunisian frontier is the first time in over three years of conflict France has accepted that a foreign power should come between herself and the Algerians.

## Program Planned For Tightening School Programs

HARRISBURG (AP)—The Public Instruction Department today laid the groundwork for implementing regulations adopted by the State Education Council to tighten public school requirements.

The council yesterday adopted a set of proposals made by Gov. Leader's Conference on Improvement of Education which met last January.

The proposals adopted by the council call for: A required course in science from kindergarten to ninth grade. It is now required only in seventh and eighth grades.

Minimum requirements for high school graduation of three years of English, three years of social studies, one year of health and physical education, one year of science and one year of mathematics, or a foreign language.

A planned program of instruction in reading skills in seventh and eighth grade, either in the form of remedial or developmental reading.

Accelerated programs of studies for gifted students, allowing them to complete high school in three years.

## Beneficiary of \$1,500,000 To Help Friends and Charity

OWENSBORO, Ky. (AP)—A publicity-shy former British soldier, chief beneficiary of a 1½ million dollar estate, says he'll get a big kick out of helping his friends and charities with the money.

Henry Edward Baker said "We just want to be left alone quietly with our friends," after the inheritance was disclosed yesterday.

Mrs. Jessie McCoy Nutty left a major share of her \$1,503,455 estate to Baker. She was the widow of Gale R. Nutty, former presi-

## Slight Rise Noted In the River Stage

Allegheny River gauge just east of Hickory Street Bridge stood at three feet, ten inches this morning. It indicated a rise of some eight inches since the thaw started last weekend. Temperatures above freezing the past few days have dumped enough water into channels to start the ice breaking up but no large ice movement has started. Cloudy weather is expected to bring snow, sleet and rain tonight, and perhaps some additional precipitation this weekend. Water level is normal for this time of year. Flood stage is around 14 feet.

## Harsh Words Reported at Dem Meeting

By LEONARD A. UNGER  
Harrisburg, (AP)—A seething deadlock gripped Democratic leaders today as a consequence of Gov. Leader's failure to swing a draft of Richardson Dilworth as the organization candidate for governor.

The governor's proposal was reportedly blocked by two of the most powerful figures in the party—Mayor David L. Lawrence of Pittsburgh and U. S. Rep. William J. Green, Jr., Philadelphia Democratic chairman.

A top Democrat, who asked not to be identified, said harsh words bordering on actual name-calling turned the eight-hour slatemaking conference into chaotic disagreement.

A new attempt is planned at another session next Monday with no immediate indication that a compromise is in the works.

The Democratic source said both Lawrence and Green took Leader to task for what they construed to be a threat by the governor that he would not run for the Senate unless the gubernatorial candidate met his "good government" qualifications.

Aides of Lawrence and Green took turns in turning on Leader, the source said. One of them was mentioned as Miss Genevieve Blatt, secretary of Internal Affairs. Although a Lawrence protégé, she had been considered one of the governor's closest political advisers.

Leader allowed them to fire away uninterrupted, the source added. When they were finished, the governor was said to have let loose with some hard-hitting words of his own.

He climaxed his presentation, said the spokesman, with an ultimatum limiting himself as a senatorial running-mate to any one of four possible gubernatorial candidates.

Leader allowed them to fire away uninterrupted, the source added. When they were finished, the governor was said to have let loose with some hard-hitting words of his own.

## More Testimony Being Taken in Kohler Inquiry

WASHINGTON (AP)—Herman Miesfeld said today he joined the United Auto Workers early in its strike against the Kohler Co. under threat of a beating. But Sen. McClellan (D-Ark.) said this was "quite in conflict" with Miesfeld's previous sworn statements.

McClellan heads the Senate Rackets Committee, before which Miesfeld testified in the committee's public inquiry into the 45-month-old UAW strike against Kohler, Wisconsin manufacturer of bathroom fixtures.

Joseph L. Rauh, attorney for the UAW, demanded that the committee check Miesfeld's testimony about threats against previous statements he had made. Rauh said it should be "seriously considered for perjury charges."

Robert F. Kennedy, the committee counsel, then read testimony Miesfeld had given before the Wisconsin Employment Relations Board saying he did not join the union under coercion.

BOMBER CREW KILLED  
LANCASTER, Ohio (AP)—A six-jet RB47 reconnaissance bomber, beginning its descent for a landing at Lockbourne Air Force Base near Columbus, Ohio, suddenly plunged to earth and exploded six miles south of here yesterday. All four crew members were killed.

## CHARTERED PLANE HITS SNOW-COVERED MOUNTAIN IN SIGHT OF DESTINATION

BOLTON, England (AP)—A chartered British airliner with 42 persons aboard smashed against a snow-covered mountain today only five minutes from its destination. A policeman at the scene said 34 persons perished.

An injured stewardess, the only woman aboard, and the co-pilot struggled through knee-deep snow to a television relay station on top of the mountain and gasped out the first word of the disaster.

Helicopters, snowplows and mountain rescue teams fought through a blizzard to the scene.

The twin-engine Bristol Wayfarer operated by Silver City Airways, was carrying automobile dealers from the Isle of Man in the Irish Sea on a one-day junket to Manchester, only 15 miles from here, to inspect a plant of the Eddie Battery Co.

Wisecracking and jovial, the party of 39 businessmen boarded the plane for the 100-mile flight, waving goodbye to wives and children. There was a crew of three aboard.

Thirty-five minutes later, with visibility cut by heavy clouds and the blizzard, the plane smashed to bits against Winter Hill, near the bleak moorlands of Lancashire and only 400 yards from a lonely TV tower manned by five engineers.

Stewardess Jennifer Curtis stumbled out of the wreckage with copilot William Howarth. Shocked, exhausted and injured, they staggered uphill into the TV station and gasped: "Our plane has crashed."

The snow was so deep that no vehicle could get within a mile of the wreckage.

Bulldozers and snowplows groaned through four-foot drifts, opening the way for ambulances, when the call for help went out from the TV station. Rescuers, lugging stretchers, blankets and medicines, struggled on foot the last distance.

Three helicopters took off from a nearby Royal Air Force base with doctors and nurses. Men at a quarry some distance away helped carry survivors to the ambulances.

The whole area has been gripped by a blizzard for the past three days. Giant drifts are blocking roads, isolating villages and bringing chaos to road and rail transport.

## Sharon Gunman Is Shot Down by N. Y. Police

NEW YORK (AP)—A gunman identified as a Sharon, Pa., resident was shot to death yesterday by two policemen staked out in a midtown liquor store following a wave of robberies.

The officers said the man, identified by cards on his body as James Lawler, 26, of Sharon, walked into the store on west 47th St., pulled a gun and demanded money.

The policeman, hidden in a back room, emerged suddenly and ordered the man to drop his weapon. When he refused the officers opened fire. A bullet struck the man in the head.

Police said a man resembling the dead gunman was known to have committed two liquor store robberies on the west side.

## CLEAR ATTENDANTS

READING, Pa. (AP)—Dr. Robert A. Matthews, state mental health commissioner, says a State Welfare Department investigation disclosed no grounds for criminal prosecution of two attendants in the fatal scalding of a paralyzed patient at Wernersville State Hospital. Dr. Matthews made the statement after a visit to the hospital yesterday.

## Governor Faces Grilling by GOP On "Job" Setup

By JOHN KOENIG JR.

WASHINGTON (AP)—Pennsylvania's congressional delegation— with a baker's dozen Republicans expected to be absent—meets with Gov. Leader today in a bipartisan conference on rising unemployment in the commonwealth.

The session was expected to be a lengthy one with Republicans who do attend ready to grill the governor on what measures the state administration has taken to bring immediate and long-range job relief to the state's unemployed.

As the session got underway, Rep. Fenton, chairman of the Pennsylvania GOP delegation and one of those staying away from the parley, released a statement renewing his plea for tax reduction as a means of curbing the current recession.

An across the board tax cut for both individuals and corporations, Fenton said, would "put more money in the pockets of the individual to pump into the economy from the bottom up."

Leader's avowed purpose in inviting House members and Sens. Clark (D) and Edward Martin (R) to the session was to discuss with party lines laid aside—all means of securing greater federal aid in combating unemployment in the state.

But from the time of issuance of the invitation the waters became ruffled.

## Treasury Dep't Is Commended for Reducing Costs

By WILLIAM F. ARBOGAST

WASHINGTON (AP)—The House Appropriations Committee today commended the Treasury Department for "a valiant effort to stem the tide of ever-increasing government costs and employment."

Then it recommended a nominal cut of \$2,240,000 in the department's request for \$699,367,000 in new appropriations for the fiscal year starting July 1.

The committee's praise of the department was contained in a report sending to the House floor for debate next week a bill to finance the Treasury and Post Office departments for the next year.

It recommended \$697,127,000 for the Treasury Department, \$3,402,000,000 for the Post Office Department and \$1,481,000 for the U.S. Tax Court.

## OFFERS BIG DOWRY

HOLLYWOOD (AP)—Actress Sharon Lee today mullied a California fruit grower's offer to set up a \$500,000 trust fund for her if she will marry him. "I need time to think," she said yesterday at a news conference called by her and Tony Vito in his apartment to explain the status of their romance. Both confirmed the offer.

**but Aluminum

YOU BUILD up a lot of brake heat when you press hard on the brake pedal again—and again—and again.

But Buick brakes get rid of heat—because they're air-cooled aluminum brakes.

That's why SPORTS CARS ILLUSTRATED Magazine found them "a 100% improvement over conventional Detroit brakes."

That's why NASCAR—in a test of 1958 cars—rated Buick brakes phenomenal. The Buick CENTURY made 176 emergency-stops from 60 mph at Daytona Beach—and there was still plenty of braking left. No other car's brakes even came close to the phenomenal performance of these air-cooled aluminum front brakes—standard on every CENTURY, SUPER, ROADMASTER 75 and LIMITED, optional at extra cost on every SPECIAL.

So if you want brake power that matches horsepower you'd better buy Buick.

GEORGE EBERHARDT

ADDISON SCHOLES

George R. Eberhardt, long the well-known chief of the Warren County Ground Observer Corps, oldest division of the Warren County Civil Defense organization, has been appointed assistant to James Wright, chief of the Radiological Division, and will be responsible for organizing survey meter monitoring teams throughout the borough and county.

As chief of the Ground Observer Corps since 1950, Mr. Eberhardt devoted unlimited time and effort to that position, resulting in building up and maintaining one of the finest Ground Observer Corps Posts in the entire country.

During these years a total of 585 observers were on the roster, with a total of 41,755 hours of time on duty, 72,981 flash calls to the Filter Center and 78,188 total aircraft recorded.

A large number of awards were made to the Post, including 561 Wings, also 255 awards to individuals who served anywhere from 100 to 2,500 hours each. Mr. Eberhardt received a 5,000-hour award.

The Post was given the "Post of the Month" award for Pennsylvania by the Air Force in September, 1954, and the "Post of the Month" award in the United States Air Craft Flash for February, 1955.

Mr. Eberhardt was recognized with the Distinguished Achievement Award of the United States Air Force on September 27, 1955.

In connection with his new post, attention is also called to the work of Addison Scholes, who has been head of the Plotting Section and assistant to Mr. Wright since early in 1957.

Mr. Scholes is an engineering graduate of Alfred University and, from 1954 to 1957, was a member of the Communications Division as a "ham" radio operator.

## Med. Society to Be Represented At State Meeting

Officers of the Warren County Medical Society will attend the 46th annual conference of secretaries and editors of the sixty county medical societies comprising The Medical Society of the State of Pennsylvania, at the Penn-Harris Hotel, Harrisburg, March 6 and 7.

The threat of third parties to the private practice of medicine, legal problems facing county medical societies and the function of grievance committees are among the topics to be discussed at the annual meeting.

Dr. John W. Shirer, of Pittsburgh, president of the State Medical Society, will preside at the annual dinner, Thursday evening, when guest speaker will be Tommy R. Richardson, of Williamsport, president of the Eastern Baseball League. Dr. John T. Farrell of Philadelphia, president-elect of the State Medical Society, will preside at Friday's session.

Speakers at the two-day session will include Pierre C. Fraley, medical editor of the Philadelphia Evening Bulletin; Dr. Carl B. Lechner, of Erie, newly appointed medical editor of the Pennsylvania Medical Journal, official publication of the state society; and Dr. James Z. Appel, of Lancaster, chairman of the state society's board of trustees and also member of the board of the American Medical Association.

Local county physicians invited to attend the conference include:

Drs. Edwin R. Anderson, president, Warren County Medical Society; William M. Cashman, secretary, and Raymond E. Lowe, editor, The Bulletin. Committee chairmen include Drs. Harry M. Wildblood, Leroy E. Chapman, John W. Larson, and Ross E. Bryan, Jr. All of Warren.

CLASSIFIED ADS accepted until 11 a. m. on day of publication.

## Times Topics

### PROGRAM CANCELLED

The feeding program of the Brokenstraw Fish and Game Club which was scheduled for Saturday, March 1, has been cancelled due to improved weather conditions.

### TWO EMERGENCIES

Treated at Warren General Hospital emergency ward Wednesday was Edward Yager, 116 Newland avenue, Jamestown, N. Y., for abrasions of left knee and laceration of left eyebrow; also Joseph Rubin, 6222 Landview street, Pittsburgh 17, injury to right knee and abrasion of forehead.

### RADIOLOGY SCHOOL

Radiology School will be conducted from the small court room in Warren County Court House this evening at 7:30. Nearly 150 members have signed for the course, including representatives of the Jaycees Auxiliary. New members are invited to join.

### MEAD SCHOOL BUDGET

Residents of Mead township interested in inspecting their 1958 school budget may do so at the home of Secretary Jean Lawson at Tiona. Taxpayers are also reminded the monthly meetings of their board of education are held the first day of each month at 7:30 p. m. in Lincoln School at Clarendon Heights. When the first day of the month falls on Sunday or a holiday, the meeting will be held the following evening.

### SHOP OPENING DELAYED

An Associated Press dispatch says the Erie Railroad has delayed indefinitely opening of its new \$3,341,000 car repair shop in Meadville because of uncertain business conditions. The shop had been scheduled to open next Monday. In announcing the postponement yesterday, Garret C. White, vice president-operations said: "Present business conditions and reduced needs for freight cars make it inadvisable to open the Meadville shop at the present time. We have an adequate supply of modern freight cars at the time to meet the demands of our shippers."

## Beaty School News

No assembly program is scheduled for this Friday, but there will be a home room program for all grades from 8:35 to 8:55, in the form of an amateur show.

There will be a basketball game Friday in Beaty gym against Frewsburg.

Mr. Jones' Pennsylvania history classes have been working on projects concerning items in Pennsylvania history or geography. Many fine reports were written on Cities, Warren, County, Battle of Gettysburg, Valley Forge, and the industries of our state. The constructed projects included a scaled and working model of Drake's Well by Larry Gardner; model of Fort Duquesne by Brian McIntosh; log cabin by Cliff Nelson; Conestoga wagons built by Chuck Niznik; Bob Black; and colonial costumes by Karen Ericsson.

## Marlow Looks At TODAY'S NEWS

By JAMES MARLOW (AP News Analyst)

WASHINGTON (AP)—The new Soviet ambassador to the United States, looking like a small-town banker in his Western clothes and expensive Italian hat, has lost no time spreading his gospel.

The gospel—as expounded by Mikhail Menshikov, 55—is better understanding between East and West, more cooperation, more trade, more friendly relations all around. He's an expert on trade.

He's done a lot of talking since his arrival here Feb. 6—both to newsmen outside the doors of offices he's visited and in interviews—but so far he hasn't said anything his bosses in the Kremlin could be angry about.

He talks in English, which he knows well. He started talking immediately after he landed in a 500-mile-an-hour Russian jet plane. He marched right up to a battery of microphones.

were portrait sketches and charcoal drawings.

hower and stayed half an hour. Most ambassadors presenting their credentials at the White House stay about 10 minutes.

But this was just a starting point for Menshikov. Next he called on Vice President Nixon, explaining afterwards that Soviet policy is to "establish personal contacts" in different fields and among "leading personalities."

Next he bobbed up in the office of Eisenhower's No. 1 right-hand man Sherman Adams. Asked if he didn't think this was a bit unusual, he smiled and said: "I am not very familiar with protocol."

He plans to call on the various members of Eisenhower's Cabinet will visit a number of American cities, and soon will make a speech at the National Press Club. It's customary there, after a speaker finishes, for him to answer questions. No doubt Menshikov will follow the custom.

It's a safe bet he can handle himself well enough not to get into trouble.

He's spent a lifetime in the fields of trade and commerce. And his knowledge of English came from 13 years in places where it's spoken. He was ambassador to India four years, was three years with the United Nations in New York, and was a

Russian trade expert in London six years.

## Marilyn Acquires Full Control of Movie Co.

NEW YORK (AP)—Actress Marilyn Monroe now is the sole owner as well as the sole asset of Marilyn Monroe Productions, Inc.

The company was formed in 1955 by Miss Monroe and photographer Milton Greene to promote Marilyn's fortunes at a time when she was feuding with her movie studio, 20th Century-Fox.

Last year she accused Greene of mismanaging the company. He denied this but later was dropped as a vice president and director of the firm.

In an agreement announced yesterday, Miss Monroe bought out Greene's 49.4 per cent of stock. The price was not disclosed.

## "Bridge On River Kwai" Picked As 1957. Best Movie

HOLLYWOOD (AP)—The Hollywood Foreign Press Assn. has picked "The Bridge on the River Kwai" as the best movie of 1957.

The foreign correspondents announced their 15th annual Golden Globe awards—often a fair indication of Academy "Oscar" selections in March—at star-packed ceremonies last night.

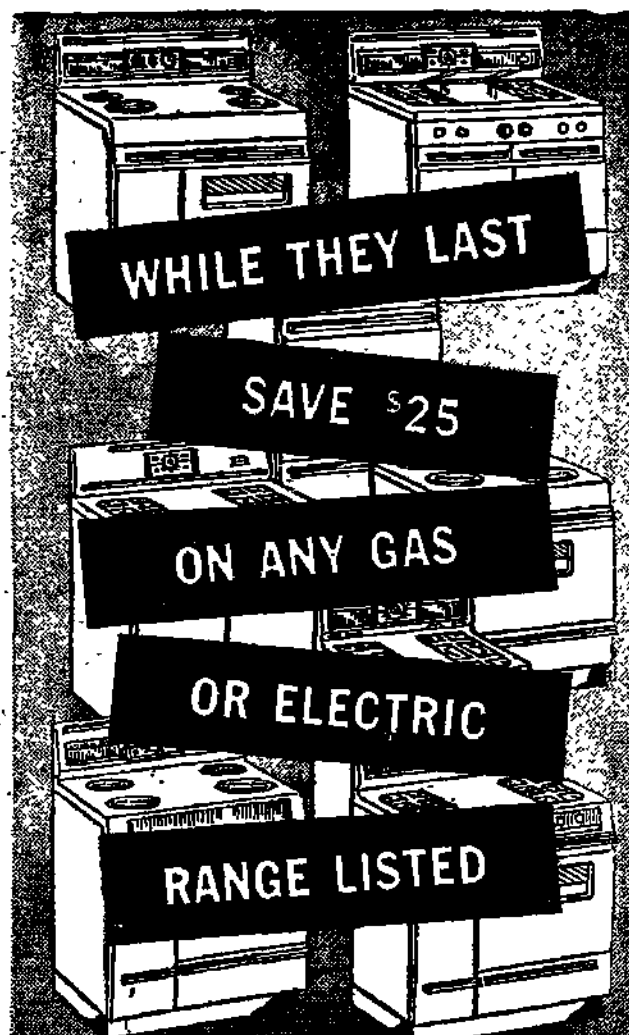

Named the top world performers last year were Alec Guinness ("The Bridge on the River Kwai") and Joanne Woodward ("The Three Faces of Eve").

Other awards included: best direction—David Lean ("Kwai"); musical performances—Frank Sinatra ("Pal Joey") and Kay Kendall ("Les Girls"); musical comedy—"Les Girls"; supporting performances—Red Buttons ("Sayonara") and Elsa Lanchester ("Witness for the Prosecution").

## Excellent Program for Russell Day of Prayer

RUSSELL — There was a good turnout for the World Day of Prayer service held in the local Methodist church.

Mrs. Robert Mack, at the organ, and Mrs. Willis Phillips, pianist, played "Sweet Hour of Prayer" for the opening and the Rev. C. C. Headland offered prayer. The congregation sang "What a Friend We Have in Jesus," and the Ramsdell sisters, Mrs. Chester Anderson, Mrs. Robert Mack, Mrs. Harold Granquist and Mrs. Willis Phillips, sang "The Master's Voice," accompanied at the organ by Carol Fehman.

Mrs. Ralph Baker introduced Rosalie Fenton of Frewsburg, who has spent four years in New Dutch Guinea, and will leave March 7 for another tour of five years. She showed many colored slides and exhibited curios, beads and articles of clothing in illustration of a talk that included interesting data on the people, their customs and mode of living.

Following the program, lunch was served in the church basement. Guests were present from the Thursday Evening Circle, also from Akeley and Cable Hollow.

Serving as committee in charge of the service were Mrs. Ralph Baker, Mrs. Claude Perrigo, Mrs. Paul Wood and Mrs. Benton Bairstow.

### REUNION GROUP SEEKING ALUMNI

The Warren High School Class of 1938 will be holding its 20th-year reunion next June and is endeavoring to locate all graduates of that year. The reunion committee asks that anyone having information or present addresses of Sara Carroll, Kay Morse, Dorothy Harrington or Ed Simpson will contact Dick Meacham at West Penn Oil Company.

### RUSSELL WSOS HAS DESSERT-LUNCHEON

RUSSELL — WSOS members gathered in the church for a dessert-luncheon served by Mrs. Ralph Baker and Mrs. George Wood, after which Mrs. Charles Pearson conducted the business session, Mrs. Baker led the devotions, and Mrs. Benton Bairstow reviewed the second half of the book report, "The Small Woman" by Gladys Aylward.

Mrs. Joseph Swanson was appointed status of women secretary; it was voted to send Mrs. Ruth Martin a canteen ticket at Warren State Hospital; Mrs. Maratha Houghvot reported the quilt has been completed.

Several pairs of mittens were purchased to be given to Mrs. Harold Jordan for needy children and any persons wishing to aid with this project may send mittens to her. The president appointed Mrs. Claude Perrigo, Mrs. Bennie Baxter and Mrs. Paul Lindell as nominating committee. The next regular meeting will be held March 19.

## Annual Founders' Day For Youngsville Unit

YOUNGVILLE — PTA members observed their traditional Founders' Day at their February meeting, which was conducted by Mrs. Richard Giegerich and opened with the Lord's Prayer and Flag Salute.

Members voted to send \$5 to national headquarters for a Founders' Day gift; \$15 to the Jaycee Youth Ambassador Fund, and \$10 to the Warren County Probation Association. It was reported the postponed card party will be held after Easter.

Mrs. Giegerich was selected to serve on the Community Development Association; it was voted to send a letter to the Junior Chamber of Commerce in Warren, recommending as Youth Ambassador candidate Mary Withington, daughter of Mr. and Mrs. Harvey Withington and teacher in Warren.

Mrs. Henry Brooks gave a very interesting account of the founding of the National Congress of Parents and Teachers; special music was provided by a trio of girls from the school, Linda Forsberg, Kathleen Cowan and Jean Donelson, accompanied at the piano by Carol Jean Thompson; Jean Mulvey played a piano solo.

Past President Dora Hutley was remembered with a Life Membership and pin and the five past presidents in attendance were presented camellia corsages. To conclude, refreshments were served by seventh grade mothers.

### FRIENDSHIP GROUP

Academy of Friendship members, Women of the Moose, held their regular meeting at the home of Mary Tellman, with Chairman Vera Petrowski presiding and 17 persons responding to roll call. It was decided to hold a bake sale in the near future and many will want to avail themselves of good home made foods. All chapter members were urged to cooperate, those wishing to donate articles to contact Esther Odell or Mrs. Petrowski.

Following the business meeting, games were enjoyed and prizes awarded to Esther Odell, Vera Petrowski, Margaret Green and Ellen Dove. The hostess and her committee served lunch to round out the evening.

Next regular meeting of this group will be held March 24 at

## The Mature Parent

Counter Child's Physical Challenge With Moral One

BY MRS. MURIEL LAWRENCE

ONE Friday Mr. W. left on a business trip. His 15-year-old son chose the following morning to flatly reject his mother's authority.

She had reminded him that as his grandparents were coming to dinner, he should be home in time to share it with them. Nick said he couldn't because his date wanted to sit through two showings of the Elvis Presley movie they were going to.

An argument developed. It ended with Nick's shouting, "What can you do if I don't show for dinner? Come down to the theater and yank me out of my seat!"

After a long moment, his mother said, "No, that would embarrass us both. But I'll tell you what I can do. I can set your plate at the table. I can put your meat and vegetables on it. That will be taking care of my responsibility to you. Whether you decide to take care of yours to me is your problem."

Nick got home for dinner.

ONE day our adolescent child may challenge you to control him by physical force. He will invite you to this competition in muscular power because he knows his muscular power may be equal to yours.

What he must learn is that his moral power is still unequal to yours.

So if he invites you to the muscle contest, you'll be foolish to enter it. Indeed, by engaging in the wrestling match with the child who's just yelled, "Try and stop me!" you may forfeit future influence over him.

For you are permitting him to make your superior muscular strength the justification of your parental authority, and as his muscles grow stronger and stronger, he will see your authority as correspondingly weaker and weaker.

WE all know this is true. And that is why we feel so helpless and driven when we let the older child trick us into physical contest with him. We foresee the day when his body's strength will be greater than ours and all his respect for our physically based authority is over.

So our answer is always changing a contest with the adolescent child from a physical strength against his. We reject all invitations to match our physical strength against his.

Instead of accepting Nick's demand that we prove our muscles are better than his, we invite the child to match our sense of responsibility.

KINZUA AUXILIARY — The February meeting of Brant-Bentley Unit 747, American Legion Auxiliary at Kinzua, was held at the home of Mrs. Joseph Pollock, the president Mrs. Gerald English, conducting the session and seven members in attendance.

Angelo Ditonto, commander of the Post, was present to discuss plans for the Anniversary Dinner in March but definite arrangements were delayed until the next meeting. That session will be held March 6 at the home of Mrs. James Snyder, with Mrs. Jack Walters assisting.

Awards for the event went to Mrs. Ditonto and Mrs. Harry Hancock. After the meeting, a surprise baby shower was held for one of the members, Mrs. Jack Walter, who was presented many lovely gifts. Concluding, lunch was served by the hostesses, Mrs. Jack Pollock and Mrs. Harry Hancock.

his dummy play is good enough to take care of most overbids. His bidding of today's hand did not include an overbid. His choice of six no-trump rather than six spades as the final contract was due to the fact that he was playing duplicate and no-trump counts more than spades.

East won the opening club lead with the ace and returned the suit. Cliff discarded dummy's six of hearts on his club king and counted 11 top tricks. The twelfth trick apparently depended on picking up the queen of diamonds but Cliff noted that he would have no diamond problem if the queen were in the same hand that held the king of hearts.

Cliff cashed dummy's ace of hearts and then ran the spade suit. His five discards were the

Cliff Russell of Miami, Fla., is one of our coming bridge champions. He is still somewhat of a wild man in the bidding but

10 of hearts and four diamonds. He was careful to include the jack and 10 among his diamond discards so as to be able to overtake the eight with dummy's nine if that became necessary.

On the last spade lead West found himself in trouble. He had to either unguard his queen of diamonds or jettison his king of hearts. The former play looked suicidal so he did throw the king of hearts.

This left Cliff with no diamond problem since his queen of hearts now became his twelfth trick.

## Scout Banquet Speaker

MRS. DERRICK A. SHERMAN

When Warren-Forest Girl Scout Council holds its annual dinner-meeting in the Penn-Laurel dining room March 12, it will be privileged to present as guest speaker Mrs. Derrick A. Sherman, of Pittsburgh.

A graduate of Mt. Holyoke College, with a master's degree in education, Mrs. Sherman is past president of the New York Division, American Association of University Women, and has served on the board of directors of that organization in other capacities for six years.

At present, she is a vice president of the Beverly Heights United Presbyterian Church Women and of the Legislative Council of Western Pennsylvania; a member of the board of directors of the Pittsburgh Branch A.A.U.W.; and of the Mt. Lebanon High School P.T.A.; a member of the South Hills College Club; in addition to working as an assistant leader of Girl Scout Troop 836. She has also been committee chairman of her daughter's Brownie Troop, for over two years was a Cub Scout Den Mother, and later was president of the Mothers' Club of Boy Scout Troop 13.

Her diversified activities have given Mrs. Sherman a wealth of background, and she is well known as a speaker, with a message especially appealing to women. Members of the local Girl Scout Council feel very

fortunate in having Mrs. Sherman appear in Warren, and already many reservations have been made for this event.

Mrs. F. L. Iseman, Jr., well-known principal of North Warren School and an active member of many local organizations, will preside at the dinner as mistress of ceremonies. Entertainment will be furnished by a local Barbershop Quartet, and the program will feature the presentation of service awards and the "Thanks Badge", highest honor in Girl Scouting, given each year to a member of the local Council in recognition of outstanding service.

Notices regarding the annual dinner have been sent to all adult members of the Girl Scout Council, and the deadline for making reservations at the Girl Scout Office is Friday, March 7th.

### SCOUT DINNER

The Youngville Boy Scout Family Night supper will be held at 6:30 this evening in the EUB church, followed by a Recognition Ceremony in the sanctuary and all interested in Scouting are urged to be in attendance.

## Impressionists Philomel Theme

At the regular meeting of Philomel Club, at the Woman's Club Wednesday afternoon members enjoyed hearing many interesting facts about "Impressionists at Work", given by Chairman Margaret Alexander. Beethoven set the scene for Impressionism, which began in Paris around the year 1865. Art, literature and music showed the desire for the primitive and simple, casual and dreamy attention was given especially to music. Many countries were represented by composers of the Impressionistic period, but the most outstanding of them all was Debussy.

Members giving selections from this period were Ann Kopf, Barbara DeFrees, Helen Potter, Harriett Wilkins, Romaine Ericsson, Mrs. H. B. Mearham, Eleanor Shick and Mary Conway.

Tea was served from an attractive table by Mrs. J. B. Leidig and her committee, with Mrs. Stuart Lyon and Mrs. Paul Jackson pouring.

### NEWCOMERS' CLUB REPORTS MEETING

The following belated report concerns the February dinner-meeting of the Warren Welcome Wagon Newcomers' Club, held at the Penn-Laurel:

A large group of members and guests was in attendance to welcome 12 newcomers to the club. Those introduced for the first time were: Mrs. Julius Thorn, Mrs. Robert Belieu, Mrs. Raymond Alburger, Mrs. James Linn, Miss Marjorie Daum, Mrs. Dean Vesling, Mrs. Ralph McCann, Mrs. Allen Baehre, Miss Jan Harris, Mrs. Charles Zumwalt, Mrs. Houston Tucker, and Mrs. Robert Smith. Hostesses for the dinner were Mrs. Betty Allen and Mrs. Jo Thomas.

Following the dinner the group attended a style show at Stein's Ladies' Shop. Stein's, being one of the club's sponsors, presented the latest in spring and summer fashions in the form of a skit written and narrated by Helen Morrow, using members of the club as models. Hostess for the Style Show was Mrs. Alice Shackett.

### CIRCLE GATHERING

Vera E. Parks Circle of Grace Methodist church held its February meeting at the home of Mrs. Joseph Woodruff, with 14 members, one new member and one guest in attendance. The business session was conducted by Mrs. LeRoy Hammerbeck, devotions by Mrs. Philip Maines.

Routine reports were approved; the sunshine chairman, Mrs. Clinton Hildum, reported on shut-in members. Mrs. Hammerbeck read a letter from Missionary Vera Parks, and several completed pairs of scuffies for Warren State Hospital were turned over to the chairman.

While Miss Clara Wickstrom reviewed the study book, "Cross and Crisis in Japan", diapers were hemmed for the Boston Dispensary. To conclude, refreshments were served by the hostess assisted by Mrs. Carl McDonald and Mrs. M. W. Roswell.

### CYC GATHERING

President Joseph Masci conducted the monthly meeting of St. Joseph's Catholic Youth Council, after which Miss Vilumin Benedicto, Warren High School exchange student, spoke of the people and customs of her country and showed interesting pictures of her native Philippines. Following this entertaining program, refreshments were enjoyed.

## Area Students In School News

Word comes from Baltimore, Md., that Miss Mary D. Michell, daughter of Mr. and Mrs. A. M. Michell of 1 Cottage Place, served as chairman of the Mardi Gras Dance held at Goucher College February 22. Graduate of Warren High, Miss Michell is a member of the Goucher Class of '39.

Among 222 students who have qualified for places on the Dean's List at Grove City College for the semester recently completed were three from this area: Emory Edmiston, Robert W. Koebley and Dorothy A. Lundahl.

Son of Mr. and Mrs. Foster Edmiston, Tiona, Emory is a freshman mechanical engineering major and WHS graduate in 1957. Koebley, son of Mr. and Mrs. E. W. Koebley of 122 Frank street, was graduated from Warren High in 1954, and is a senior accounting major in college; Miss Lundahl, daughter of Mr. and Mrs. Elmer T. Lundahl of 6 Pioneer street, was graduated here in 1956 and is a sophomore majoring in business education.

She and Koebley are both members of the Commerce Club and American Management Association. She is also a member of the College Marching Band and Theta Alpha Pi Sorority. Koebley's activities include membership in Epsilon Pi Fraternity.

Announcement is received from Indiana State Teachers' College that Miss Beverly Mathis, daughter of Mr. and Mrs. Paul Mathis, 215 Madison avenue has made the Dean's List for the first semester of her junior year.

### EAGLES' AUXILIARY

Lady Eagles and their husbands gathered in the clubrooms Tuesday evening to enjoy their February Birthday dinner and party. A large crowd was on hand and it was decided the men will be invited to all such parties in the future.

At the next regular meeting, March 4, past presidents will be honored. Every member is asked to be in attendance and to bring a few sandwiches and cookies for a light lunch to follow. Memorial degree team practice will follow the evening's scheduled activities. Committee for March will be members with initials P, Q, R and S.

### PARTY HONORS GERALD DORRION

Gerald Dorron, who has completed 13 years on the Mead Township Board of Education, serving from 1944 to 1957, was honored by fellow-members Tuesday evening at a dinner and gift presentation in the Cedar Room of the Blue and White Restaurant.

Present for the event were Mrs. Dorron, Mr. and Mrs. Kenneth Clapp, Mr. and Mrs. Harry Simon, Mr. and Mrs. Norman Grosch, Mr. and Mrs. Ardell Saylor, board members and wives; with the following representing the teaching staff: Mr. and Mrs. Archie Hunter, Mr. and Mrs. Ernest Champion, Mr. and Mrs. Kenneth Grosch, Miss Snyder Prue and Miss Gwendolyn Maurer. Unable to be present because of illness were board member Curtis Sasser and his wife.

### HEART FUND DRIVE PROGRESS SLOW

Warren County Heart Association campaign total to date: \$6,281.37 Goal is \$10,250.00 \$3,968.63 is needed! Please send in your contributions!

## Gathered From The Party Line

A special Happy Birthday wish is extended today to those Times-Mirror readers who were born on February 29 and, thus, can blow out candles but once in four years.

Miss Frances Ruland, Russell, left Tuesday for Melbourne, Fla., to bring home her parents, Mr. and Mrs. Earl Ruland, who have spent the past month in the south. She was accompanied by Mrs. Ray Thompson and Mrs. Lester Hale, who will visit in Lakeland for a month.

Roger Siggins, Richard Grosch and Eugene Schwanke have returned home after spending 10 days in Miami and Daytona Beach, Fla., and attending the weekend auto races in the latter resort city.

It is understood Director Marie Hamilton has pledged to absolute secrecy all who attend the performance of "Witness for the Prosecution" at the Woman's Club tonight. Curtain time for the Agatha Christie thriller is 8:30 both tonight and Friday and indications are there will be few last-minute seats available.

Glowing reviews of "Gamblers of Golgotha" by G. Hall Todd have appeared recently in the "Standard", weekly news publication of the Baptist General Conference of America, according to the reporter for Calvary Baptist church, affiliate of that conference. The writer, native of this community, is the son of Mr. and Mrs. George D. Todd of 512 Fourth avenue, and his newest volume may be found in the Metzger-Wright book department.

### BEREAN CLASS

The February meeting of Berean Class of First Baptist church was largely attended when it was entertained at the home of Mrs. Morrell Spalding, 499 Conevango avenue, with Miss Violet Peterson as assistant hostess. Devotions were in charge of Mrs. Lewis Elder.

Following the business session, a very interesting program was presented, when Miss Clara Wickstrom told of her recent trip, with a party of 29 women from various churches in this area, to the United Nations building in New York City. She showed beautiful slides and explained the tour through the buildings; mentioning, also, other interesting sights and events in the city.

### NAZARENE SPEAKERS

District headquarters of the Church of the Nazarene reports area churches will learn more about the role of medicine in Christian mission work on Sunday, March 9, when Dr. and Mrs. Samuel J. Hynd will relate some of their experiences during the past eight years spent in Africa.

Dr. Hynd will speak at 11:00 a. m. in the Warren church where the Rev. John Z. Andree will conduct the service and Mrs. Preston Taylor will assist; Mrs. Hynd will address a morning service at the Seneca Indian Church of the Nazarene, Salamanca RD 1, where the Rev. DeWitt C. Dickson is pastor and Mrs. Mabel Halfont is Missionary Society president.

In the evening, Dr. Hynd will be at the Bradford church, and his wife will be a guest at Corydon, where the Rev. Viola Burch is pastor and Mrs. Githa Crooks is the Missionary president.

## Warren Foundation Is Described to Kiwanis

Warren Foundation program was outlined to Kiwanis Club members yesterday by C. J. Cravy.

He pointed out for example, that under the Foundation's investment policies, an individual donating \$25 and earmarking it for Community Chest would have \$1 paid the Chest each year for a quarter of a century, after which the continuing interest would maintain the payment.

Purpose of the Foundation is to better community charitable organizations, said Mr. Cravy, by investing for them or other large or small donors. There are undesignated funds, also with those specifically earmarked for such projects as Nurses' Education, Community Chest, College Scholarships.

The Foundation will also invest for other non-profit organizations such as churches, retaining one-twentieth of the interest

## Brookville To Be Site of Proposed St. Phillip Memorial Home for Boys

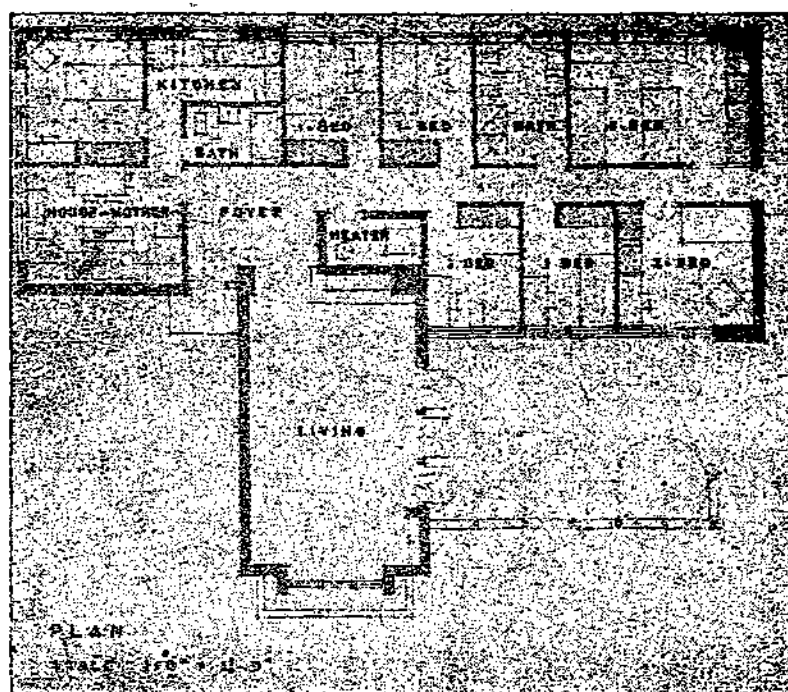

"A ray of hope in the battle against juvenile delinquency," that is how Judge Robert M. Morris, of Jefferson County, describes the proposed Heber Memorial Home of St. Phillips for Boys at Brookville.

The proposed home for boys, a non-profit corporation, will be constructed on a 52 acre farm donated by the Heber family, of Brookville. To launch the project, the home was awarded the profits from the Jefferson county Sesqui-centennial celebration held in 1956. Over \$5,000 was turned over to the home and is being used to start a direct mail campaign throughout Western Pennsylvania. The campaign for funds will eventually cover Western New York, Western Pennsylvania, Eastern Ohio and West Virginia.

To date the mailing campaign has met with limited success and now the board of directors of the home have turned to the newspapers and radio and television stations for help in making this appeal for funds a success.

With state-approved plans for the minimum necessary construction now completed, the architect for the home, Walter Rittenhouse, of Kittanning, is ready to turn over blueprints and specifications to contractors for bids on the construction.

And there is where the progress of the Heber Memorial Home of St. Phillips for Boys rests. The need now, is for contributions from the citizens of the Warren area and communities throughout Western Pennsylvania. Already most of the residents of the Warren area have received direct mail solicitation and some have responded, but a great deal of

Upper cut shows an artist's conception of one of the five proposed cottages to be built on the 52 acre farm donated by the Heber family of Brookville. Lower picture is the layout of one of the cottages.

money is needed before this project can be pushed forward.

The proposed home will provide a real home for boys of the junior and senior high school age group. The boys, many of whom would be sent to state institutions, will be taken from this New York, Pennsylvania, Ohio and West Virginia area. They will be integrated as a part of the "family of Christ" and trained staff workers will live and work with these boys until they are ready to become useful members of society. While in the Heber Home the boys will attend Brookville schools and participate in the activities of the YMCA and all other phases of community life. The home will, voluntarily, request the right to pay taxes as

a part of the community, and help bear the cost of supporting the boys in the local school system.

The need for homes for neglected and dependent boys is emphasized more and more each day as juvenile delinquency mounts and the evidence grows that juvenile delinquency is the product of broken and disrupted homes.

To push this project to a successful start on the road to helping our needy young men and boys, at least \$100,000 is needed. Your part in this work can be determined only by your heart. If you wish to share in this worthwhile project, mail your contribution to: The Heber Memorial Home of St. Phillips, Brookville, Pa.

## Sugar Grove Fire Department Has Annual Banquet

SUGAR GROVE—The local Volunteer Fire Department held its annual banquet in the American Legion Home, with the Legion Auxiliary serving dinner to 60 persons. Guests were present from Warren, Ashville and Lakewood.

David Wright was toastmaster for the program, which included remarks by Burgess F. A. Schoonover, and department officers. Homer Haines, of Warren, spoke briefly and presented a recording of an address by Dr. Bark, recent speaker in Warren. In a lighter vein, Mr. Jacobson, of Jamestown, presented a program of magic.

Local firemen received a resuscitator call late last Saturday night for Mrs. Minnie Halliwell, Lottsville road, and accompanied her by ambulance to Warren General Hospital.

Among those attending the Johnson - Rowland wedding at Lander were Mr. and Mrs. Harry Sarvis and daughter, Mavis Elaine, Mr. and Mrs. Walter Sweeney, Mr. and Mrs. Emory Hale, Mr. and Mrs. Alfred Aikens, Mr. and Mrs. Roy Stoddard, Mr. and Mrs. Orrie Puddar.

Flossie Broughton was hostess to Bridge Club, with Caribell Swanson, Mrs. Gerald Miller and Mrs. Clarence Sherrard as guests, and Miss Swanson receiving the prize for high score.

Mr. and Mrs. James Dunderdale, Akron, O., were weekend guests of their parents, Mr. and Mrs. Gerald Miller. Sunday dinner guests also included Mr. and Mrs. Harold Felton, North Tonawanda, N. Y.; Mr. and Mrs. Darwin Curtis and son, Jay, Mr. and Mrs. Guy J. Summerson and son, Dart.

Mrs. Kit Frank, this community's oldest resident, has been ill of flu at her home but is reported improving.

Tommy Thompson, young son of Mr. and Mrs. Francis Thompson, is an appendectomy patient in WCA Hospital at Jamestown.

### Veterans News

Q—I've seen a lot of real estate advertisements stating that the GI loan program comes to an end July 25, 1958. I am a Korea veteran. Is that my deadline, too?

A—No. Korea veterans have until January 31, 1959, to obtain GI loans. World War II veterans, however, must apply for GI loans before July 25, 1958 under existing law.

Q—I am a disabled Korea veteran eligible for vocational rehabilitation training. I've had

an offer of a job. Would it be possible to work during the day and take rehabilitation training at night?

A—No. Vocational rehabilitation training must be full-time, unless a veteran's disability prevents him from training full-time. The law does not permit your holding a job and taking training part-time.

Q—I have a World War II GI term insurance policy. I would like to convert it to a permanent plan but at present I cannot afford the higher premiums. Would it be possible to convert part of my term insurance to permanent?

A—Yes you need not convert the entire amount to permanent insurance. Instead, you may convert \$1,000 or more, in multiples of \$500.

TODAY is pay day for all who have classified ads.

## Gra-Y Dad-Lad Supper Enjoyed By 150 Guests

Over 150 fathers and sons had an exciting and fun-filled evening at the fifth semi-annual Gra-Y Dad-Lad Supper recently at the YM.

District Attorney Samuel Bonavita, serving as toastmaster, introduced Rabbi Herbert I. Berger, of the Warren Hebrew congregation, who delivered the invocation. Introduction of guests, John Carbon, Karl Timm and Miss Margaret Hook followed the banquet. The menu included Swiss steak supreme, mashed potatoes and gravy, apple sauce, beverage and marble cake.

Gra-Y club advisors and banquet committee members were introduced, followed by spirited songs led by Jeff Riedel, YM Youth Director, with Miss Hook accompanying at the piano.

Mr. Bonavita gave a moving address on "Sports and Sportsmanship", relating many facts on the early days of basketball.

Following a lively period of sleight of hand and "off the cuff" humor, wherein the group was entertained by the mystifying magic of Howard Fox of Russell, and the winner of the "Surprise Prize" was humorously disclosed by Clyde Loomis of North Warren.

Rabbi Berger gave benediction, and dads and lads adjourned to the swimming pool.

Robert Johnson, chairman and his committee, Angelo Dimino, Henry Dahl, Dan Stimmet and Clyde Loomis were in charge of the affair.

### MAMMAL, NOT BIRD

The duck-billed platypus is classified as a mammal, not as a bird. It has a bill shaped like that of a duck and lays eggs instead of bearing its young, but it nurses its young with milk as do cows, dogs and other mammals.

### DIFFERENCE OF OPINION

England's Duke of Wellington once declined as being impractical the Alhambra, 14th century fortress-palace in Granada, Spain, as a gift. Today, Spain ranks it as one of the rarest national treasures.

plus a carryover of unspent appropriations from previous years. Congress chopped heavily, finally voting an appropriation of \$2,768,760,000 new money and a carryover of \$667,050,000.

For fiscal 1959 Eisenhower is seeking \$3,942,082,500 in new funds nearly \$1,200,000,000 more than the fresh cash he got last year and half a billion dollars more than the 1958 total. A fiscal 1959 request for carryover of unspent funds may be sent to Congress later.

## Co. Employment Situation Better Than State Average

Warren County employment situation is better than the state as a whole, according to Andrew J. Donick, state employment service manager.

Though unemployment compensation rolls are expected this week to reach 800, highest since February, 1954, Mr. Donick points out that this is only about 6 1/2 percent of the total county work force of an estimated 12,000.

This figure compared with an overall 9 1/2 percent unemployed throughout the Commonwealth as of January 1958.

The employment office manager stated that shutdowns for a week by two plants caused the big upswing to about 800 from a total of 716 receiving compensation last week. If the

plants go back to work as scheduled, Donick added, the figure should drop back to around 725.

Based on a statewide average of \$29.72 per check, the local employment office paid out about \$21,000 in compensation last week.

Donick observed that in 1957, when Warren County paid out a total of \$314,000 in unemployment compensation, it was only fourth highest in the state, just above offices at Titusville, Coudersport and Sayre. In 1954 the county paid \$256,000 in compensation.

On December 5, 1957, a total of 414 were on county unemployment rolls. That means a rise of slightly more than 300 to last week. A year ago in February the total also stood at 414.

Two biggest jumps of 1958 in county unemployment rolls came during the week ending February 6th when the rolls absorbed 46 to bring the total to 657, and the week ending Feb. 13 when the total rose to 715.

Worst unemployment compensation record was set during late 1949 (inbetween wars) when 1171 were on the rolls as of the week ending July 28th. This dropped to 999 in early August that year when servicemen's readjustment allowance (\$2/20) was discontinued.

A seasonal upswing in area building projects is expected to hold the unemployment line for the time being, provided plant cutbacks are completed.

Recent rumors of wholesale firings and lay-offs in a local firm are without foundation, according to a plant spokesman who called the reports "fantastically distorted."

Of the 716 on unemployment last week, 126 were women.

## SUGAR GROVE

SUGAR GROVE—The annual meeting of Cherry Hill Cemetery Association will be held in the borough building at 8:00 p.m. March 13 and all lot owners are asked to be present to elect three directors.

Mrs. Catherine Carr celebrated her 80th birthday anniversary Sunday, when her daughter, Mrs. Lawrence Saxon, and family came from Steadman to spend the day with her and provide a nice dinner.

Mr. and Mrs. Royal Messenger and daughter, Carolyn, of Corry, were Sunday dinner guests of Mrs. Frank Dorn. In the afternoon, the group visited a cousin, Mrs. Madge Williams, who has been a patient in Warren General Hospital since she had the misfortune to fall and break her hip.

Grover Reynolds is confined to his home by illness.

Among the many meetings canceled last week because of the storms was that of the Methodist WSCS. The committee which served a Penny Supper on one of the recent snowy nights reports \$85 cleared on

the project and expresses its appreciation to all who braved the storm to attend.

The Rev. James M. Fisher will preach on "Witnessing for Christ" at the 11:00 a.m. Sunday service in First Presbyterian church.

Although the school cafeteria was not in operation last week, because the storms closed the schools, the ladies who operate the cafeteria gathered at the home of Mrs. Rodney Barlow on Thursday afternoon to surprise her for her birthday anniversary.

## State University Engineers Work For Safer Cars

University Park—Engineers at the Pennsylvania State University are studying ways in which motor vehicles can be made safer to operate.

The project, sponsored by the Commonwealth of Pennsylvania, is headed by Wolfgang E. Meyer, professor of mechanical engineering, as co-ordinator.

Meyer says much of the work underway is concerned with braking techniques with the hope that a system can be developed that will prevent the locking of a wheel in slippery weather which often results in skidding and loss of control of the car.

"This is a complex system," he says, "since whatever system might be developed will have to work both on ice-covered highways as well as under normal conditions."

In the laboratory, all aspects of braking problems on both trucks and passenger cars will be studied. Tests will be made on single wheels and also on complete axles.

Meyer says the problem of truck braking will be given special attention since trucks have a more serious braking problem than passenger cars. This is especially true in Pennsylvania, he says, because of the varied terrain throughout the State.

Pointing out that the strain on truck brakes on a steep grade is terrific, Meyer says studies on exhaust retarding will be made. This would enable the engine to be used as an air compressor on downhill grades.

Meyer does not foresee completely automatic vehicles in the near future but says that as many automatic controls as possible should be employed on passenger cars since many traffic accidents are the results of human short-comings.

**REMEMBER THIS?**

Back in the days of the trolley cars, when regular runs were made between Warren through Clarendon to Sheffield, this was the "High Level Bridge" on top of the space that crossed the river at Glade. The approach to the structure started about where the Emblem Oil Co. Station is located, and on the south end of the bridge, paralleled the Pennsylvania Railroad tracks for much of the distance to Clarendon and Sheffield. Our informant is of the opinion this is a picture of the last trolley that crossed the bridge after it was decided to suspend service between the two towns. Articles and pictures on the subject from old-time readers are solicited.

**Chuck Roasts and Chicken  
In Spotlight This Weekend**

By THE ASSOCIATED PRESS

Housewives beset by record high food prices will find two old bargain favorites, chuck roast and chicken, at special prices in many supermarkets and neighborhood groceries this week.

This week's Bureau of Labor statistics figures only confirmed what food shoppers have suspected for some time, and the supermarket meat experts apparently figured the housewives could be tempted best with the two bargain reliables. Chuck was selling at 49 cents a pound and chicken at 45 cents a pound in some stores in the New York metropolitan area. This was a far cry from steak in the 80s or 90s and veal chops at \$1.19 a pound.

Veal prices were up 4 to 9 cents a pound this week and veal lovers have little hope for the immediate future. Calf marketings have been slipping as farmers strive to rebuild cattle herds. Rib roasts and steak also were higher in scattered areas.

Eggs were higher by 2 1/2 cents a dozen in most areas, but prices are expected to turn around shortly as cold weather abates and hens start to increase their output. Distribution of available supplies has been hindered recently by bad weather.

Fruit and vegetable prices remained higher than normal again but the inflexible laws of supply and demand should work in the housewives' favor in a few months.

Growers of spring vegetables are expected to start planting bigger crops earlier than usual to cash in on current high prices and some growers of winter vegetables are trying to get seed to sow a late winter crop. Prices should go down again when these crops start reaching market.

For the present, however, bargains are hard to find among fresh produce. Potatoes and onions, although higher in price than a week ago, are reported to be the best bet available among vegetables. This is partly an example of items undamaged by weather going higher as shoppers shift their buying from the frozen out vegetables.

Celery, carrots, lettuce and broccoli are fairly good buys, produce men say. Cabbage also is trending lower again as the storage crop is augmented by new offerings from California, Texas, Florida and Arizona, plus some imported white cabbage. Turnips, parsley, asparagus, mushrooms and cucumbers are moderately priced. So are imported peas from Mexico for those with the time and inclination to shell them.

Apples remain the best buy in the fresh fruit department. Grape fruit are down a bit and oranges slightly lower, but still higher than their normal February figures. A one-fifth drop in the California crop, plus heavier purchases by wineries, have pushed raisin prices up, too.

**Proclamation**

WHEREAS, for 77 years the American Red Cross has been on the job meeting human needs and converting human sympathy, kindness, and a desire to help others into practical neighborly assistance; and

WHEREAS, its primary responsibilities—service to the armed forces and to the victims of disasters—have been assigned to the Red Cross by the United States Government to be carried out for and in the name of the American people; and

WHEREAS, to these basic responsibilities in response to community needs has been added a broad range of other services; and

WHEREAS, this nation, its government, and its people will continue to look to the American Red Cross for all humane, friendly services that have done so much to improve community life and to maintain the wellbeing of our neighbors in time of disaster and emergency; and

WHEREAS, this organization is a great fellowship of good will in which all citizens are welcome, and when we join the Red Cross we identify ourselves with each individual act of mercy this great organization performs anywhere in the world as surely as if we personally extended a helping hand; now

THEREFORE, I, William E. Rice, Burgess of the Borough of Warren, proclaim the month of March, 1958, as RED CROSS MONTH and do here and now urge all citizens of Warren to contribute generously to the Red Cross Campaign for members and funds through our local Red Cross Chapter, remembering that increased membership and contributions are required to keep pace with our rising population and its greater need for Red Cross services.

# OBITUARIES

FUNERAL INFORMATION WILL BE FOUND UNDER ANOTHER HEADING

## LOUIS G. JOHNSON

The Rev. Francis Fehlman, pastor of Salem Evangelical United Brethren church, will conduct funeral services at 10:00 a. m. Friday for Louis Gottlieb Johnson, who was found dead about 6:00 p. m. Tuesday in his home, 107 1/2 South Marion street. Interment will follow in Lake View cemetery at Jamestown.

Mr. Johnson was born in Jamestown Mar. 12, 1888, and came here about a year ago from that city. A veteran of World War I, he was a member of the Golden Age Society.

Surviving are the following children: Mrs. John K. Krokas and Lon B. Johnson, Baltimore, Md.; Mrs. William R. Bull, Essex, Md.

to a local funeral home. A committal service will be held at 9:30 a. m. Saturday in St. Joseph's cemetery.

## MRS. CATHERINE FLAUS

Mrs. Catherine Flaus, aged 81 and resident of Warren for the past half-century, died today after a long illness. She was born in Glasgow, Pa., July 14, 1877, and came here 50 years ago. She was a member of St. Joseph's church.

The widow of John P. Flaus, who died in 1920, she leaves two sons and one daughter, William N. Flaus, Pittsfield; John A. Flaus, Lakeland, Fla.; and Mrs. Marie Carlson, Warren; also nine grandchildren and six great-grandchildren; two brothers, Frank Snyder, McKeesport, and John Snyder, East Palatka, Fla.

Services in her memory will be held at St. Peter's Catholic church in McKeesport Monday morning, with interment following in St. Mary's cemetery in that city.

## Funerals

### WILLIAM HACKMAN

William Hackman, Youngsville, died in Warren General Hospital Wednesday evening, having been in failing health for several months and in the hospital for several days.

Born in Canada, Mr. Hackman came to Youngsville in 1922 and was employed as a foreman for the Youngsville Star Manufacturing Company. He was a member of the Eastern Orthodox church.

Besides his wife, Catherine, he leaves one daughter, Billie, and two sons, Theodore and Donald all at home; two sisters, Mrs. Mary Frances, Youngsville, and Edna Lambert, Chagrin Falls, O.; and two brothers, Thomas, of Pittsfield, and Mike, in Erie.

The Rev. Gregory Rowley, vicar of St. Francis' Episcopal church in Youngsville, will conduct a prayer service at 8:00 p. m. today in Youngsville and a private prayer service will be held at 10:00 a. m. Friday. Interment will follow in Warren County Memorial Park at Starbuck.

The family requests that flowers be omitted and contributions made, instead, to either the Cancer or Heart Fund.

Following a requiem mass Friday morning in Steubenville, O., removal will be made to the Leo D. Gibson Funeral Home here and friends will be received at the usual calling hours, starting at 7:00 p. m. Friday. A committal service will be held in St. Joseph's cemetery at 9:30 a. m. Saturday.

### KATHERINE A. FINNERAN

Word has been received here that Mrs. Katherine A. Finneran, former resident of Sheffield, died Tuesday morning in Steubenville, O., where she had lived for many years.

Widow of John Finneran, Sr., who died in 1927, she is survived by two children, Thomas F. Finneran, Long Beach, Calif., and Mrs. Marie Hunter, Steubenville; also three brothers and one sister, John Hessler, Erie; James Hessler, Sheffield; Joseph B. Hessler, Warren, and Mrs. Mary Haumesser, Newark, O. She was also preceded in death by her parents, and a son, John C. Jr., died in 1952.

Following a requiem high mass in Steubenville Friday morning, removal will be made

### MRS. CATHERINE FLAUS

Removal will be made to the Hunter-Strifer Funeral Home in McKeesport, where friends will be received after 7:00 p. m. Saturday. Services will be held Monday morning at St. Peter's Catholic church in that city and interment will follow in St. Mary's cemetery.

## England Has Problem In Test Tube Babies

LONDON (AP)—Can a British husband get a divorce on adultery charges if his wife has a test tube baby by someone else? The government is going to investigate the legal aspects of the question.

Prompted by a church attack on A.I.D.—artificial insemination from a donor other than the husband—the lord chancellor ordered the inquiry after debate last night on a House of Lords motion to make A.I.D. grounds for divorce and the test-tube babies resulting illegitimate.

A recent Scottish court ruling held that a woman who had been artificially impregnated without her husband's knowledge had not committed adultery. Estimates of Britain's annual crop of test-tube babies range between 5,000 and 10,000.

## Stassen Asks Chance To Talk To G. O. P. Leaders

PHILADELPHIA (AP)—Harold E. Stassen, seeking the Republican nomination for governor, today asked the state's GOP leaders to give him a chance to speak with them before they pick an organization-backed slate.

Stassen made the plea in a telegram to Republican State Chairman George I. Bloom who has called a meeting of state GOP leaders Monday at Harrisburg.

In his telegram, Stassen also asked Bloom to approve an open primary which will "let the people decide the nominee."

## Meadville Boys Have Hearing on Trespass

RICHMOND, Ind. (AP)—Michael P. Mays, 18, of Meadville, Pa., pleaded innocent yesterday to charges of arson and malicious trespass.

Mays and two other boys are accused of killing two hogs and burning a hoghouse last Sunday on the nearby Earlham College farm. They were expelled from the college following the incident.

Judge G. H. Hoelscher of Wayne County remanded Mays to jail in default of \$2,000 bond. No date has been set for further action.

## KETCH TURNS BACK

LOS ANGELES (AP)—The ketch Golden Rule, forced back by Pacific storms from its protest voyage into the U.S. nuclear test area, will try again.

Skipper Albert Bigelow, Cos Cob, Conn., said plans are being made to sail with a three-man crew for the Bikini-Eniwetok area about March 20. The 30-foot vessel docked last Monday, two weeks after its departure to protest, by its presence, nuclear tests this spring.

Bigelow said 60-m.p.h. winds 700 miles out caused minor damage.

## Times Topics

**SOFTBALL MEETING**

All softball team managers who attended the first league meeting of 1958, and all prospective managers, are asked to attend the second meeting at 7 p. m. Tuesday in WNAE. President Frank Fiesli will preside.

**LOW EBB AT JAIL**

Warden Don Allen, Sr. reported today that only one prisoner is left in Warren County Jail, the lowest number in approximately a year. The inmate total has been running around ten, said Warden Allen, with a high of 14 for the year.

**WEDDING PERMITS**

Register and Recorder Gurney Ball has had requests for "Two in the Aisle" from: Edwin Kabein Johnson and Julia Kabein Sparks, both of Warren; Joshua Newland Frances Fedale, of RD 2, Tidouite; Robert Fulton Suber and Betty Mae Curtis, both of Jamestown.

**QUARTER SESSIONS**

Two rather prominent non-support cases will be heard by Judge Alexander C. Flick, Jr., during Quarter Sessions Court Friday morning. According to District Attorney Samuel F. Bonavita, eight additional non-support cases will also be brought up, along with two drunk driving charges, a worthless check count and one case of driving during suspension.

**PERSONNEL MEETING**

Twenty-two members of Warren Personnel Association last night heard a talk on purposes and functions of Warren County Development Association by chairman Robert Wilder during Heights Restaurant. Karl Pierson, president at the business meeting and James Lynn of Warren Components was introduced as a guest. Gerry Huber introduced the guest speaker.

**PRINCIPALS' WORKSHOP**

Joseph Passaro, principal of Warren High School, was presiding officer Wednesday for a meeting of the steering committee of Edinboro Workshop, Northwestern Pennsylvania Secondary School Principals, for which Titusville Area schoolmen were hosts. Among others attending were Henry Powell, principal at Beaty Junior High of Warren, and Jesse Lyon, principal at Youngsville High.

**INVESTIGATE ROBBERIES**

Pennsylvania State Troopers and Warren Sheriff's Department this week are joined in investigation of at least 11 camp burglaries, most of which have been reported recently as non-resident hunters came back after the storm to check camps which for the most part had been left untended since the end of hunting season. At least two break-ins are reported in the Cherry Grove section and nine more around Tidouite. Among the loot are such items as six kitchen chairs pair of fishing boots, old shotgun, bow and arrow.

**REPUBLICANS TO HOLD REGISTRATION SESSION**

A meeting to iron out plans for this year's registration campaign will be held at 7:30 p. m. Monday in YWCA. All Republican precinct committees, committeemen and office holders are urged to attend. Assemblyman Allen M. Gibson will preside.

**TUNNEL WORK HALTED**

PITTSBURGH (AP)—Work on the north portal of the Fort Pitt Tunnels was halted yesterday because of slides and new crevices in the Pittsburgh face of Mount Washington.

George Helms, resident state engineer for the project, said clearing of the north face of Mount Washington may be delayed a couple of weeks.

The cease-work order will not affect drilling of the tunnels which began on the south side of the mountain and now is more than two-thirds complete.

**MICKEY MANTLE SIGNS**

ST. PETERSBURG, Fla. (AP)—Mickey Mantle signed a one-year contract with the New York Yankees today for an estimated \$68,000, the third highest salary in Yankee history.

Mantle, the most valuable player of the American League for the past two years, agreed to terms after a meeting with Lee MacPhail, director of the team's personnel.

**"WILLING TO RUN"**

WAYNESBORO, Pa. (AP)—Sen. Douglas H. Elliott (R)—Franklin said today he would give serious consideration to becoming a candidate for the Republican leadership "where for the party leadership to govern if the party was to the best interests of the commonwealth."

## Three Inches of Snow Reported in Somerset

SOMERSET, Pa. (AP)—Winter-woary residents of Somerset, Bedford and Cambria Counties faced another cleanup job today following the fall of about three inches of new snow.

Light rain turned to sleet, then to snow last night and early this morning. Some highways were coated with a dangerous glaze. The three counties had just about completed mopping up after bitter storms of two weeks ago.

Highways crews reported considerable progress in clearing main highways, though secondary and rural roads were still treacherous this morning.

**A.P. DEATH RECORD**

By THE ASSOCIATED PRESS

FLORENCE, Ala. (AP)—Edward A. O'Neal III, 82, president of the American Farm Bureau Federation for more than 20 years, died yesterday. He was instrumental in development of New Deal farm policies during President Roosevelt's administration.

WASHINGTON (AP)—Frederic M. Dearborn Jr., 45, special assistant to President Eisenhower for security operations coordination, died yesterday. He was a former member of a Boston law firm and served two years as legal counsel to Christian Herter, undersecretary of state, while Herter was governor of Massachusetts.

**ARSON SUSPECT**

PITTSBURGH (AP)—Fire officials today investigated the possibility of arson in a six-alarm blaze that caused an estimated \$100,000 damage to four brick buildings in the wholesale produce district.

James Belnap, chief investigator for the Fire Prevention Bureau, said a man was reported seen carrying a torch inside a building occupied by the Nathaniel Schorin Co., where the fire broke out yesterday.

The final victory over cancer will come from the research laboratory. But there is a more immediate victory at hand today. Many cancers can be cured when detected early. Vigilance is the key to this victory.

There are certain signs which might mean cancer. Vigilance in heeding these danger signals could mean victory over cancer for you:

1. Unusual bleeding or discharge.
2. A lump or thickening in the breast or elsewhere.
3. A sore that does not heal.
4. Change in bowel or bladder habits.
5. Hoarseness or change in voice.
6. Indigestion or difficulty in swallowing.
7. Change in a wart or mole.

If your signal lasts longer than two weeks, go to your doctor to learn if it means cancer.

Manufacturers Association Will Keep Out of Campaign

PHILADELPHIA (U)—With the pre-primary race now under way, the Pennsylvania Manufacturers Assn. was on record today as disclaiming the role of political kingmaker.

James Malone, PMA president, said yesterday that the organization would play its proper part in the immediate political future of the Keystone State but told a luncheon PMA meeting "we have no desire to be kingmakers."

In past years, members of the PMA had an unofficial but highly important part in the election of Republican statewide candidates. Many of the political leaders within the party also were high in the ranks of the PMA.

Malone's statement yesterday was the first formal acknowledgment of the PMA's former position in the pick-the-candidate system. It could have a major influence on the May 20 primary and the Republican party's candidates to be chosen between now and then.

Despite the on-the-surface non-political nature of yesterday's PMA luncheon and dinner meetings, there were political overtones in the background.

Among those seated on the dais last night at the Bellevue-Stratford Hotel was GOP State Chairman George Bloom. He was accorded a standing ovation when introduced.

Bloom will preside next Monday at a meeting called for 12:30 p.m. at a Harrisburg hotel, when a tentative if not final slate will be picked by GOP leaders. The state chairman will be armed with the expressions of regional opinion after a series of meetings with county leaders in the past month.

One of those being prominently mentioned for the party's gubernatorial nomination is State Superior Court Judge Robert E. Woodside. There were reports that Bloom had found considerable support in the state for the jurist's candidacy.

However, last night, Bloom told The Associated Press such was not the case and added that he was under the impression Judge Woodside was not available for the governorship.

Also projected into the GOP gubernatorial nomination picture recently—primarily under his own steam—has been Harold E. Stassen, who resigned last week as President Eisenhower's disarmament advisor. Stassen was not present for the PMA dinner last night and he had been given little encouragement by GOP party leaders, including Bloom himself.

Nonetheless, Stassen, former Minnesota governor, has said he is in the race to the bitter end.

Petitions also have been circulated for two candidates for the GOP nomination for U.S. senate—seeking to fill the post now held by U.S. Sen. Edward Martin, who is retiring. The petitions were on behalf of Rep. Hugh Scott of Philadelphia and Commissioner T. Newell of Luzerne County.

U. S. Forest Resources Are Increased By Tree Farming

WASHINGTON—America's green mantle of forests, shredded by a growing nation hungry for raw materials, is spreading once again.

More wood is being grown than cut. Last year, more than one billion trees were planted. Trees have become a farm crop like cotton or corn, the National Geographic Society says.

Owners of small wood lots—who control 60 per cent of the nation's wood resources—are becoming more and more aware of the possibilities of well-managed forests.

Indicative is the growth of the Tree Farm System—a private program to encourage good forestry. It is sponsored by the American Forest Products Industries, Inc., an association of wood users, which offers professional advice and arranges technical assistance for woodland owners.

The number of acres in the program has grown swiftly since it began in 1941. In February, 1958, it topped 46 billion. Moreover, Tree Farm officials estimate an equal amount of well-handled forest acreage has not been registered in the program.

Even a few acres of woods can give a steady income. Careful thinning operations produce poles, pulpwood, and firewood from trees that would be poor for lumber, and afford the good trees a better chance to grow. Christmas trees are also harvested in the early stages.

By-products from tree farms include turpentine, maple sugar, ferns, herbs and medicinal plants.

Tree farming offers other benefits. Game thrives, providing sport and food. Most larger tree farms are open to the public for camping, hiking, hunting, or fishing.

Soil is conserved. Wooded lands soak up rain, deterring runoff and helping the water supply, which, in the words of President Eisenhower, "is becoming our most precious natural resource." Last year one of every four Americans was affected by water shortages.

As a crop, trees have some distinct advantages. They need not be harvested at a given time; the grower can wait for a favorable market, trees grow well on land unsuited to other crops. A farmer can work his wood lot in slack seasons.

There are disadvantages. While a fire in a wheat field destroys one year's harvest, forest fires can obliterate the growth of decades. Although a maturing forest will provide steady income, a new plantation takes years to come into production. Some families set out acres of seedlings when a child is born, to provide a college education.

To be registered as a Tree Farm, the acreage must be private, tax-paying land, with protection against fire and insect attack. It must be managed with repeated crops as the goal.

Tree Farms range in size from three-acre tracts in the Dakotas to a Florida giant of 800,000 acres. This summer Delaware will become the 46th State in which the program operates.

BOYLE'S COMMENT

By HAL BOYLE

NEW YORK (U)—Have you been saving up pennies to finance a vacation to the moon?

Well, if you have, now is a good time to stop, break open your piggy bank and spend the money on the nearest blonde. You'll have more fun.

Like millions of red-blooded Americans I, too, was eager to make a pioneer voyage to the moon. I was, that is, until I did a little research on the earth's only original, or pre-Russian moon.

After I consulted such standard works as the Encyclopedia Britannica, I found their articles on the moon a bit too advanced for a mere tourist. After all, who knows what a synodic month is? Or a draconic month? And what does it mean to you to be told that on the moon the darker parts of Oceanus Procellarum reflect only an eighth as much light as the Crater Aristarchus?

The real blood-curdling facts about the moon, however, are fully bared in a little volume called "The Young Scientist's Funnies," for Boys and Girls age 10 to 15.

From this lunar Baedeker for the barefoot scholar, I learned: The moon is no place for insomniacs. The nights there are two weeks long. So are the days.

The moon is no place for music lovers. Because it has no atmosphere, you can't hear a sound of any kind. In one way this is an advantage. You could sit three feet from a rock 'n' roll band—and not even be aware it was playing.

The moon is no place for people who like to keep their feet on ground. Because its gravitational pull is only a sixth that of the earth, you'd have trouble avoid-

LAST OF THE NAVAHOES—The Air Force launched the last Navaho guided missile at Cape Canaveral, Fla., but its 60-second farewell appearance turned out to be a spectacular bust. Sequence photos, above, show the cruise-type Navaho—actually a pilotless bomber—as it blasted off from its launching pad; rose several miles into the air; then plunged from the sky like a bomb and burst on the ocean in a thunderclap of flame and smoke. The Air Force said the great booster engine on the 5,000-mile Navaho failed 20 seconds after it was launched and that a safety officer destroyed the missile. The Air Force canceled contracts on the \$800-million-dollar Navaho program in July 1957, but set aside five of the existing rockets for use as "test vehicles."

ing floating every time you went for a walk.

The moon is no place for claustrophobes. It has no air, and the sky is black.

The moon is no place for people who like cold weather. During the day it is so hot that you could fry an egg in your hand. You'd fry, too.

The moon is no place for people who like hot weather. At night it is so cold your body would freeze solid.

The moon is no place for people who like to garden. It has no soil—just endless rocks.

The moon is no place for people who like to drink highballs. It has no water—not even enough for a chaser.

The moon is no place for people who like to climb mountains. It does have mountains, up to 18,000 feet high, but since there is no oxygen you couldn't climb high enough to get your second wind. On the moon your first wind is your last one.

The moon is no place for romantic people who like to look up at the twinkling stars. Seen from the moon, the stars don't twinkle—just burn. And the earth looks like a big blob of eerie bling.

When you get right down to it, the moon simply is no place for ordinary people at all. It isn't true that sleeping in moonlight will make you addled—as the old legend says—but anyone who pines to voyage to the moon to get away from the cares of earth is certainly deluded.

The next time you get a chance, take a good long look at the man in the moon. Do you think he's smiling? He isn't. It's an optical illusion.

Actually, his mouth is wide open, and he's crying, "Help!"

## Bad Intersection Causes Another

Two men were fortunate to escape with their lives about 3:30 yesterday afternoon when they collided at high speed as one attempted to turn off Route 6 onto the Warren-Kinzua Road near Rogertown. The car shown above, with \$1,500 in damages, belonged to Joseph Rubin of Pittsburgh who had a possible fractured leg. Other driver, Edward Yager, 25, of Jamestown, escaped with multiple body bruises when his machine, westbound on Route 6, hit the Rubin machine broadside. Both were taken to the hospital by ambulance.

## Sheffield Workers in Red Cross Campaign Are Named

**SHEFFIELD**—In conjunction with announcement of the Bloodmobile visit at First Methodist church next Wednesday, Red Cross Chapter officials have announced workers for the annual Fund Drive, from which is secured monies to finance the all-year-round Blood Program.

The regional bloodmobile equipment from Buffalo will be set up in the church basement from 12:00, noon, until six in the evening and both scheduled donors and drop-ins are urgently requested.

For the annual Red Cross campaign, Irene Solock, has been named general chairman for Sheffield township, with Mrs. Eugene Leseman in charge of clubs and societies; Mrs. Lawrence Milley, captain, with Mrs. Marilyn Gilbert and Mrs. William Sleeman for the business district.

Saybrook solicitation will be managed by Mrs. Clarence Studley, Roystone, Mrs. Charles Rice, Roystone, Mrs. Jack Andrews, Capt., with Mrs. Richard Curtin, Mrs. Herbert Bowley and Mrs. Kenneth Pierce.

Designated as one of the captains, Mrs. Beryl Burlingame, Jr., will head the following group of workers:

Mrs. Robert Gustafson, Pratt street; Mrs. Robert Fitch, Van Ertan; Mrs. Joseph O'Connor, Jr., and Mrs. Louis DeRubies, Pickering; Mrs. Joseph Eckenrode, Mrs. Charles McNeal and Mrs. Joseph Müll, Church; Mrs. George Bires, Jr., Horton and School; Miss Wanda Huber, Horton; Mrs. Dewey Doverspike, Horton and South Main; Mrs. Charles Erik, South Main; Mrs. Francis Fitzgerald, Center; Mrs. Wendell McMullen, Whipple; Mrs. Raymond Haumesser, Radaker; Mrs. Alex German, Tan; Mrs. Mike Staf-

fan, Deerlick; Mrs. Joseph Hezel, Kane road.

Miss Frances Richwalsky will captain another group of solicitors:

Mrs. Sanford Secor, Oak North, Mead and Cray; Mrs. Sam Griffith, Miss Nancy Henry and Mrs. Harry Mickel, West Main; Mrs. Fred Burns, Willow and Foulkrod; Mrs. Robert Nelson, Dunham; Mrs. John Zandi, Tioneata; Mrs. Chester Sprandle, Hall and Second; Miss Mae Swanson, Miller and First.

Completing the drive set-up, Miss Irene Solock, captain, has enlisted the following workers:

Mrs. Francis Wagner, Austin Hill; Mrs. Max Luger, High; Mrs. Mike Stanko, Cottage; Mrs. Charles Matk, Keystone; Mrs. John Dorotics, Jr., Mrs. Kenneth Plunkett and Miss Mabel Sylvis, Mill street first, second and third, respectively.

Any person missed in the drive and wishing to make a contribution is asked to cooperate by contacting any one of the above workers.

Two men were injured and property damage upwards of \$2,700 was sustained Wednesday in two separate accidents which occurred shortly after 3 p. m.

At 3:30 p. m. near Rogertown, just east of Warren, Joseph Rubin, 55, of Pittsburgh, started to swing onto the Kinzua Road as his car headed east along Route 6.

Coming west on Route 6 was Edward Yager, 25, of 116 Newland Avenue, Jamestown. When the dust settled, Yager had severe bumps and bruises and Rubin had body bruises and a possible fractured leg. Both were taken to Warren General Hospital by ambulance.

Rubin's car has \$1,500 damages. The Yager machine \$500.

About 3:15 p. m. Wednesday, Dennis Ows, 16, of Russell, proceeded down Route 957 into Russell from Lander, neglecting to stop for the sign as he swept onto Route 62, according to troopers. Coming south on Route 62 at that instant was Evangeline Shaffer, 16, of 103 Wetmore Street, Warren.

Damages were approximately \$350 each.

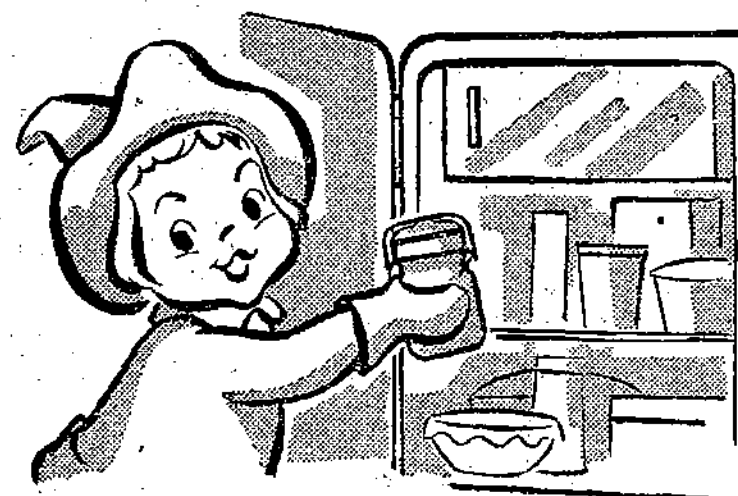

Old Faithful, Yellowstone Park geyser, has erupted to a height of 150 feet.

## MAKE A HEAVENLY GLAZE

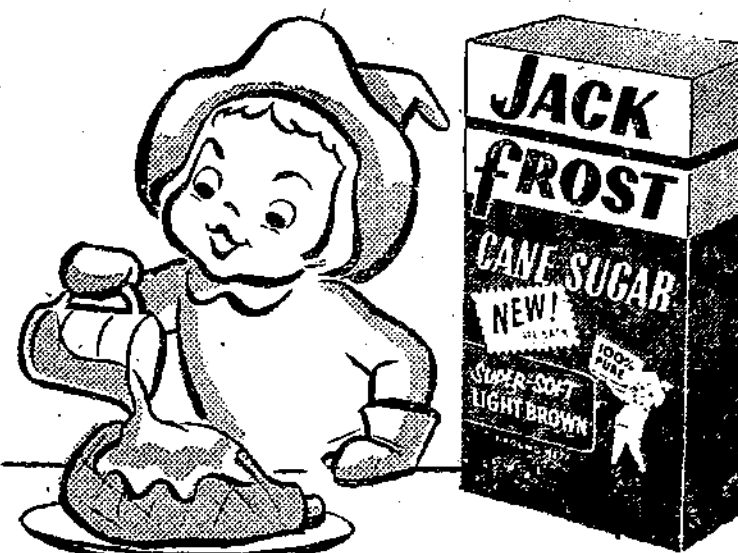

...for busy days

1. Combine 1b. box Jack Frost Light Brown Sugar and ¾ cup orange juice. Stir over medium heat until mixture comes to a boil. Boil for 2 minutes. Add 2 tablespoons butter. Blend well.

2. Cool slightly. Pour into a mason jar and cover. Then store in refrigerator. If desired, dilute with extra orange juice or water.

3. This easy-to-make glaze is wonderful on ham, pork chops, baked apples, sweet potatoes. You'll love Jack Frost Brown Sugar—it's always fresh and ready to use in its own specially-designed box.

Remember . . . sugar is a good natural food and contains only 18 calories per teaspoonful.

## Dragons Have Task Stopping Two Star Bulldog Pivot Men

If the Warren Dragons hope to snap the jinx that Meadville has held over them during the past seven seasons, they will have to devise some method of stopping the scoring activities of Clyde Stallsmith and Bob Arrigan. The Bulldog pivot men, both well over 6-3, controlled both boards and scored 16 and 17 points respectively in Warren's defeat at the spacious David Mead Fieldhouse earlier this year. It is no secret that the charges of Coach J. Massa are still smarting from that defeat and have been working diligently in preparing for Friday's return visit by the Bulldogs. Everything points to a sterling struggle between the ancient foes particularly in view of the fact that the Blue and White cagers are anxious to avenge the earlier setback and to continue their winning streak at home. Warren has not lost on the friendly confines of Mead gym this season.

Adding spice to the final game of the campaign will be the trampoline exhibition by a group of boys and girls from the high school physical education classes under the direction of Mr. Miller and Miss Putnam. Another feature will be the honoring of the Moms and Dads of boys who are on the basketball squad which includes the Varsity and Jay-Vee groups. The parents will have a reserved section with the mothers being presented a corsage—a gift of the Lettermen's Club.

Since a banner crowd is expected, end bleachers will be erected to assure everybody of a seat. The prelim starts at 7 p. m. with the main game slated for 8:30 p. m.

## Pace Is Stepping Up Across State in District Playoffs

HARRISBURG (AP)—The first district championship has already been decided, while the pace is stepping up across the state in playoffs to decide contenders for regional and state honors.

Bedford of Dist. 5 wins the honor of garnering the first district crown. However, because of the peculiar makeup of the PIAA districts, there are only two Class A schools which vie annually for the crown. Bedford dumped Somerset, the other Class A contender, 47-33, to win a place in regional playoffs.

In the east, meanwhile, Chester (12-0) sewed up its fifth straight Section I League of Dist. 1 by squashing Lower Merion, 73-41. The Clippers are expected to go all the way to win the district crown.

An interesting development in Dist. 11 raised the possibility of defending champion Allentown may be back this year in playoffs. Allentown defeated Easton, 71-57, to tie up the second half race of the East Penn League. Bethlehem won the first half. The Canaries would have to win both the half and season playoffs to get into the district tournament.

This is how things shape up across the state:

In the west:  
Dist. 7 — In first round playoff games Uniontown knocked over Strong Monessen, 82-55; Springdale surprised Baldwin, 36-35; Sharon defeated South Union, 54-40 and McKees Rocks upended Scott, 43-39.

Sharon's victory was its first playoff win on the long road to regional and state playoffs, as it

seeks to retain the state title it won last year.

In action scheduled for tonight Washington was to meet Midland and powerful Ford City was to take on Uniontown.

Dist. 8 — Westinghouse defeated Washington Vocational, 54-42, to win the Sect. 1 crown. Westinghouse will square off against Sect. 2 winner, Langley, for the district and Pittsburgh City title March 7.

Dist. 9 — Dubois kept in the lead of the Dist. 9 league with an 56-54 overtime win over Reynoldsville. Punxsutawney dropped its third in a row, to Clearfield, to remove itself completely from loop contention.

## Brown Scores An Easy Victory in Go With Dukes

HAWANA (AP)—Joe Brown, world lightweight champion from New Orleans, considered a possible title defense against nimble Ralph Dupas today after his "easiest fight," a first-round non-title knockout of Cuba's Orlando Echevarria.

In an atmosphere packed with political tension and after spending 72 hours under protective guard from Cuban rebels, Brown calmly fired two crushing rights that disposed of the Cuban champion in 2 minutes 50 seconds last night.

There were no incidents although fears of rebel sabotage held the crowd to an estimated 12,000—some 6,000 under seating capacity.

The U.S. National Boxing Assn. has warned Brown that unless he meets challenger Kenny Lane in a title bout by April 11, his title may be vacated. But a bout with Dupas, No. 4 contender from New Orleans, might satisfy the requirement.

Echevarria weighed 136½ to Brown's 135½.

## Robertson Shoots Back Into Lead in College Play

By ED WILES

The Associated Press  
Oscar Robertson, a quiet kid who plays the role of hatchetman for Cincinnati, has shot back into the individual scoring lead in major college basketball while giving the Bearcats all but an official berth in next month's NCAA championships.

He bagged 50 points, 25 in each half, as Cincinnati downed the tourney-hopeful St. Louis Billikens last night 91-73. The Bearcats, No. 3 in the Associated Press poll, now are 21-2 and have pocketed no worse than a tie for the Missouri Valley Conference title.

Even if Cincinnati should be upset by Wichita Saturday and wind up in a deadlock with Bradley for the crown, it's a sure bet the Mo-Valley will select the Bearcats as its NCAA representatives.

Miami (Ohio) and Tennessee Tech won their conference championships, which carry automatic berths in the NCAA Tournament, but only Miami definitely is going to the playoffs.

## Bisons Try Eighth Goalie of the Season

By THE ASSOCIATED PRESS  
In baseball, so the pitch line goes, you can't tell the players without a scorecard. In Buffalo, you need one to find out who is tending goal for the Bisons, last place club in the American Hockey League.

The Bisons tried their eighth goalie of the season last night, name of Dennis Dejorjy, and nearly lost him during their fourth straight loss, this one 5-3 to the Providence Reds.

Dejorjy, brought up from the St. Catharines Teepees, suffered a deep cut above his left eye 43 seconds before the end of the game in a scramble around the net. But he was able to be patched up and lasted out the seconds until the buzzer.

The new goalie made 25 saves to 22 for the winner's Marcel Paille, but Providence raked him for four goals in a whirlwind second period to clinch the game.

## Ticket Demand Indicates an Attendance Boom This Year

By JACK HAND  
The Associated Press

Advance ticket sales indicate a baseball attendance boom in most big league cities. Los Angeles, New York, Milwaukee and San Francisco are showing the way.

The Dodgers with their 100,000-seat Coliseum in Los Angeles expect to start smashing records opening day and hope to keep it up the rest of the year.

Harold Parrott, the club's business manager, says advance sales are "past the 1½-million-dollar

mark and almost twice what they were at this date in Brooklyn last year."

Pete Hoffman, ticket manager for the San Francisco Giants, says approximately \$925,000 is in the till, almost a 100 per cent increase over last year's sale at this time in New York.

With no more opposition from the Giants and Dodgers, the Yankees are reaping a rich harvest in New York. A month ago, club officials said the advance had reached 1½ million dollars. The club record of \$1,700,000 probably has fallen already and the final tally on opening day may be close to two million dollars.

Milwaukee, as usual, expects to close out all its 12,000 season tickets long before the opener.

The Milwaukee Braves, Chicago Cubs and Boston Red Sox are the only clubs to increase prices. The increases ranged from 10 to 25 cents. Major league prices, of course, will be higher than the minor league scale in California.

## Celtics Coach Is Still Trying to Solve a Riddle

By THE ASSOCIATED PRESS  
Coach Red Auerbach is still trying to "find out how we made it." But it's no puzzle to the rest of the National Basketball Assn. as to why the Boston Celtics again are champs of the Eastern Division.

The Celts, defending NBA champs, did it again in their division last night, clinching their second pennant in a row with a 106-99 victory over the Detroit Pistons in the windup of a double-header at Olympia Stadium.

In the other game of the Detroit doubleheader, St. Louis' Western Division champs cuffed the Cincinnati Royals 105-103.

At Syracuse, the hometown Nationals opened up a three-game hold on second place in the East over Philadelphia by thumping Minneapolis, 119-90 after New York had downed the Warriors, 112-95.

The Knickerbockers trail Philadelphia by three games in the scuffling for the third and last playoff spot in the Eastern Division. Detroit and Cincinnati are assured of the two other playoff positions in the West behind St. Louis, with Detroit currently a game ahead of the Royals in the battling for second place.

and Loukenmae (\$3.80) finished in a dead heat in the feature at Bowie where two horses fell and one had to be destroyed after stumbling in a bad spot on the track.

## Speaking of Sports

Northern Area Knights set a new school record on the cage courts Tuesday night, when they outscored Tidoute 98-43. The 98 markers were assisted in reaching their goal by letterman Bud Rowland. Rowland, a 6'1" senior, scorched the nets with 25 for the Knights, who are now in third place in Upper Allegheny Valley League. Rowland meshed 17 fielders and one charity. The letterman has been probably Coach Jack Boney's hottest cager this season. In the Falconer game Jan. 14, Rowland sank in 33 for the Knights, winners by a 60-48 margin. The Times-Mirror said of him then, "...one of Northern Area's all-time greats." About the Jan. 3 game with Panama, (NA 53, Panama 44), it was printed, "Amazing Bud Rowland, one of the finest high school athletes in the entire section, continued his sensational record Friday night..." Just as everything has its ups and downs, Rowland has his, too. According to our records, he dialed 7 points for the Knights during the Jan. 7 contest with Wattsburg (NA 57, Wattsburg 40). Young Rowland has a great chance to be picked for the all-state team this season.

No tickets for Friday's big game between Titusville and Franklin will be sold in Titusville. Local school officials tried to secure ducats for the contest but were informed by Franklin officials that placing tickets on sale at the school of visiting teams has been discontinued. Therefore local fans will have to take their chances on a first-come, first-served basis. Doors will open at 6:30 Friday with the prelim at 7 p. m. Varsity is scheduled to clash at 8:15. Adult tickets are 75c and students 50c.

Editorial from Franklin News-Herald: "It seems only yesterday that Bob Feller was zipping

his fast ball past American League batsmen. This baseball season the voice of the former Cleveland pitcher may become as familiar to baseball fans as his picture in a baseball uniform once was. Feller has signed a contract as a play-by-play broadcaster with the Mutual network. He will broadcast the game of the day, appearing each day at a different major league park. Bob Feller is not the first former pitcher to handle a microphone assignment. For some time the once great pitcher Dizzy Dean has been a sportscaster. It is not likely that Feller will ever add as richly to the English language as Dean has done. Dizzy once described in detail a close play at third base in which the runner "slid in safe." Another time after a foul ball, he announced that the batters had returned to the "respectable bases." Even while he was still active as a player, Feller acquitted himself well as a public speaker. He has proved himself an intelligent and an articulate commentator on baseball. Fans who remember Feller as a rosy-cheeked Iowa farm boy, throwing a baseball faster than any of the pitchers around, wish him well in his new career. It is good to see men who have contributed as much to baseball as Feller has, remaining active in the game."

# Play **NU-WAY** CROSS-OUT game

Open Friday Night 'Til 9

## Free \$25,000 in PRIZES..

## COME IN, GET FREE CARD..

## at NU-WAY

Here's Your  
**1st. CROSS OUT GAME**

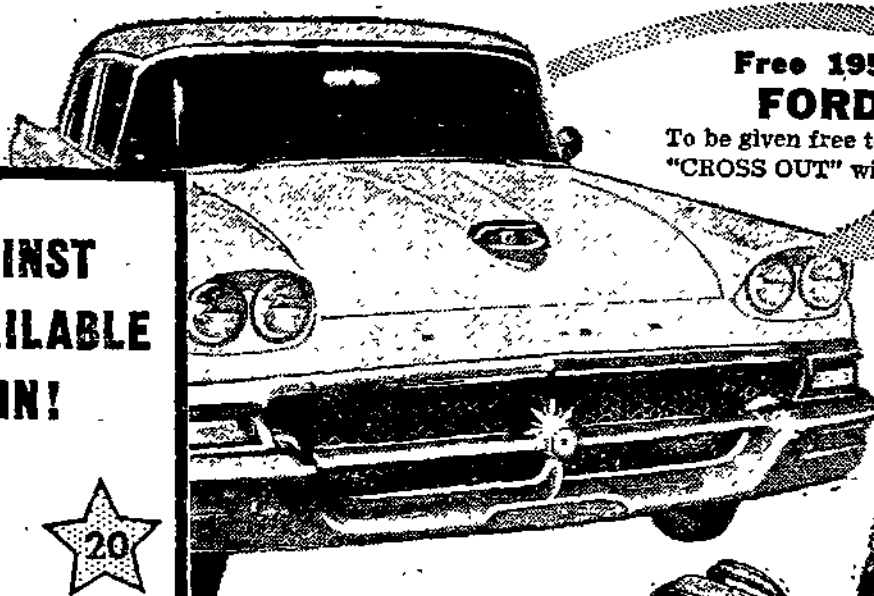

### HERE'S HOW TO PLAY "CROSS OUT"

- 1 Ask for a free "Cross-Out" card each time you visit a Nu-Way Market.
- 2 Match numbers on "Cross-Out" card with numbers appearing in Nu-Way newspaper ad every Thursday.
- 3 If you have 5 numbers in a row... down, across or diagonally on your card, you have a winning card. Turn card over to see what you have won and mail card as directed. You will receive your prize in a few days.
- 4 A new game will be published each week for 12 weeks in our Thursday Newspaper Ad.
- 5 All cards playable in all 12 games. Save every card and every ad. Any one card must be matched with any one ad.

MATCH THESE NUMBERS AGAINST YOUR "CROSS OUT" CARD NOW AVAILABLE FREE AT NU-WAY—YOU MAY WIN!

0	4	6	10	16	20
24	28	30	34	36	38
40	44	48	50	54	56
60	64	66	70	74	76
80	82	84	90	94	96

- You get another chance to win each time you visit Nu-Way. Ask cashier for your FREE CARD.
- NOT A LOTTERY, NO PURCHASE REQUIREMENTS.
- Watch our Thursday Ad Weekly for additional games.
- WEEKLY WINNERS WILL BE POSTED IN NU-WAY Markets and in our weekly Ads.

### "CROSS OUT" RULES

1. Pick up "Cross Out" card at Nu-Way and each time you stop thereafter for 12 weeks.
2. Match numbers on your card against the master numbers in the Ad. PENCIL an X over those numbers on your Card that match Ad numbers.
3. If you can "X-OUT" on your card, five numbers in a row, either down, across or diagonally, you have WON A PRIZE! Turn card over and see what you have won.
4. IF YOU HAVE A WINNER—Fill out the required information on the back of the card and mail it to: Cross Out Box 551, St. Louis, Missouri. You'll receive your prize in about 15 days.
5. IF YOU HAVEN'T A WINNER THIS WEEK—Erase the X's from your card and save it to play against next Thursday's Nu-Way Ad, and each succeeding ad thereafter.
6. Save this "Cross Out" ad and every "Cross Out" ad for the next 12 weeks—a previous "Cross Out" Ad may have winning numbers for a new card.
7. Any one card and any one ad can be matched to claim a winner. But numbers from more than one ad cannot be combined to form a winning card.
8. Cards will be given to adults only. Complete rules and instructions on every "Cross Out" card.
